OLD MACDONALD HEARD A PARP FROM THE PAST

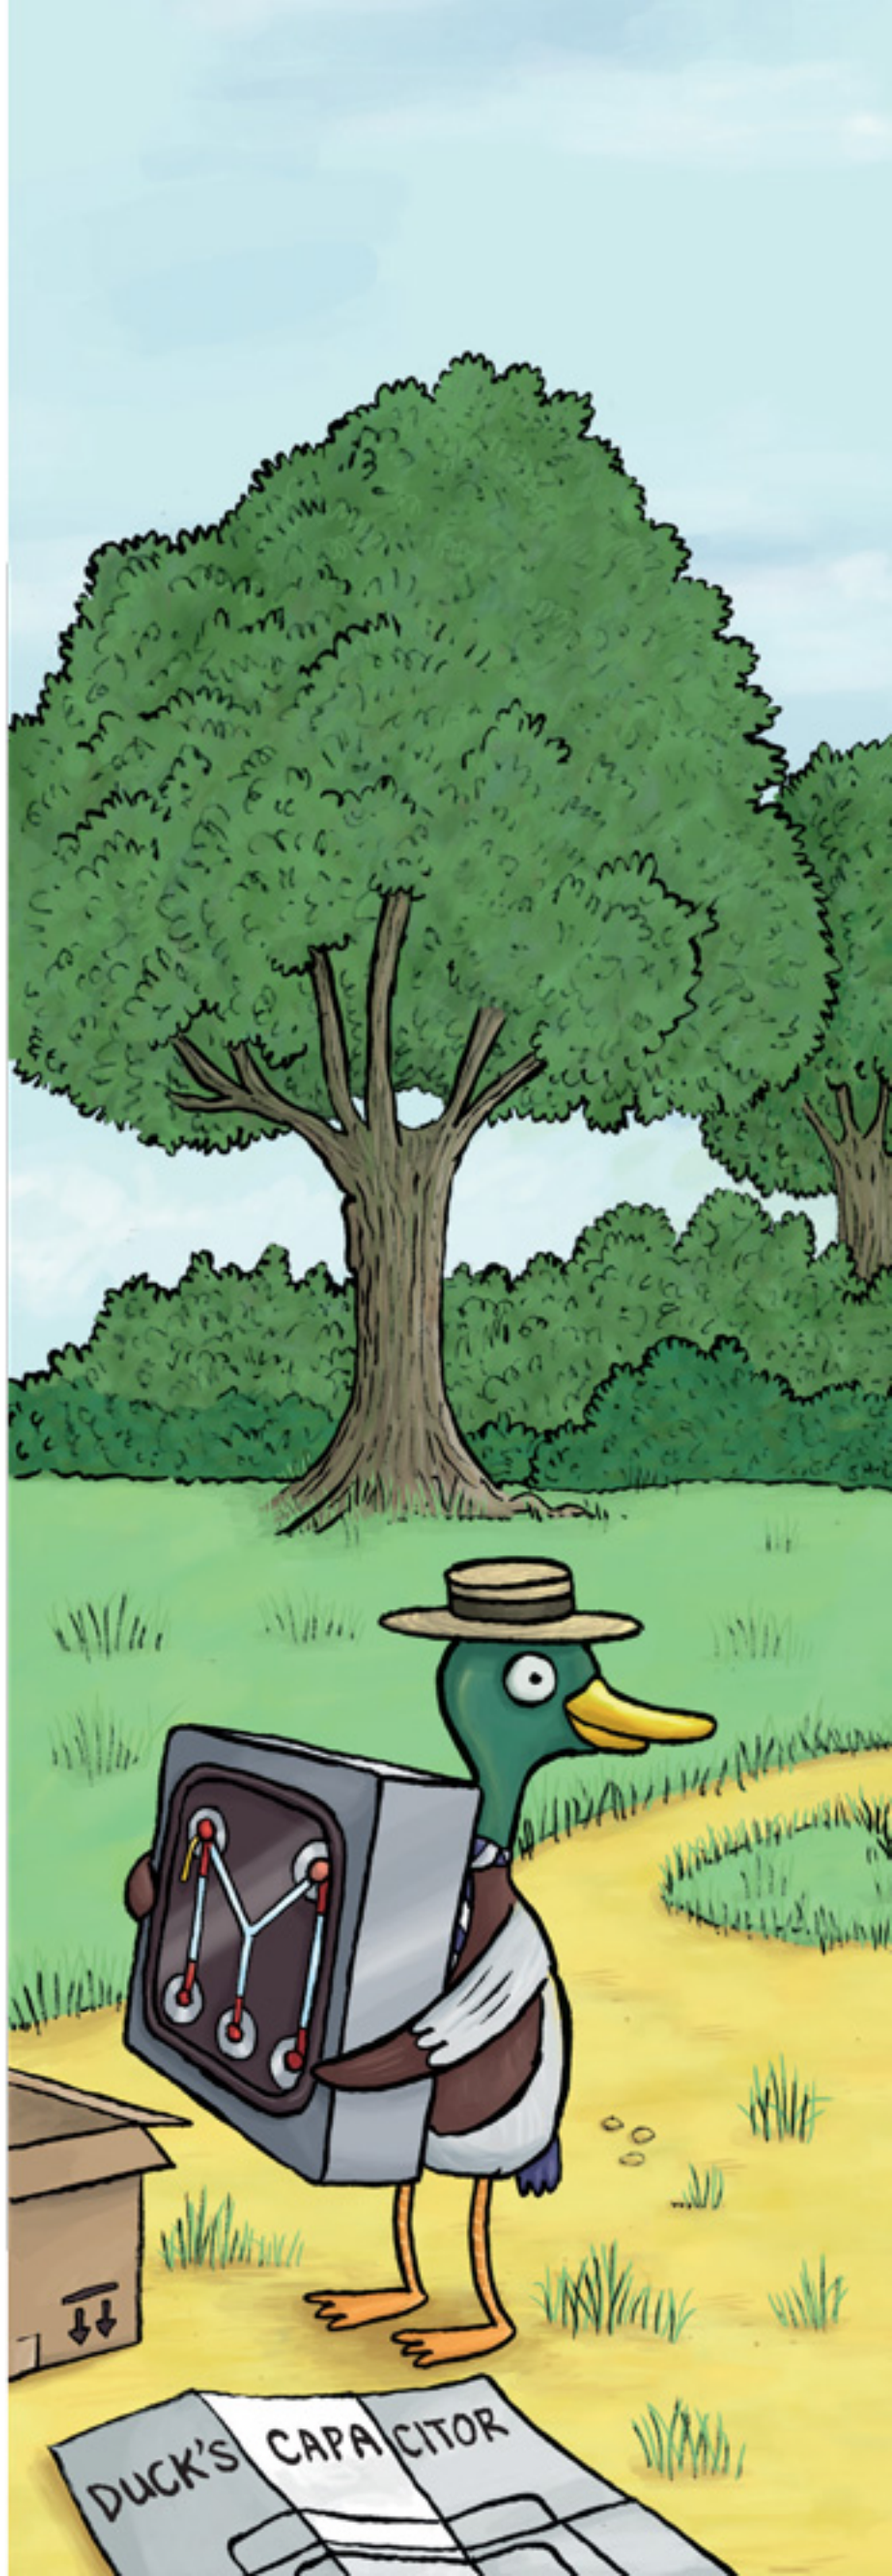

Olaf Falafel

HarperCollins *Children's Books*

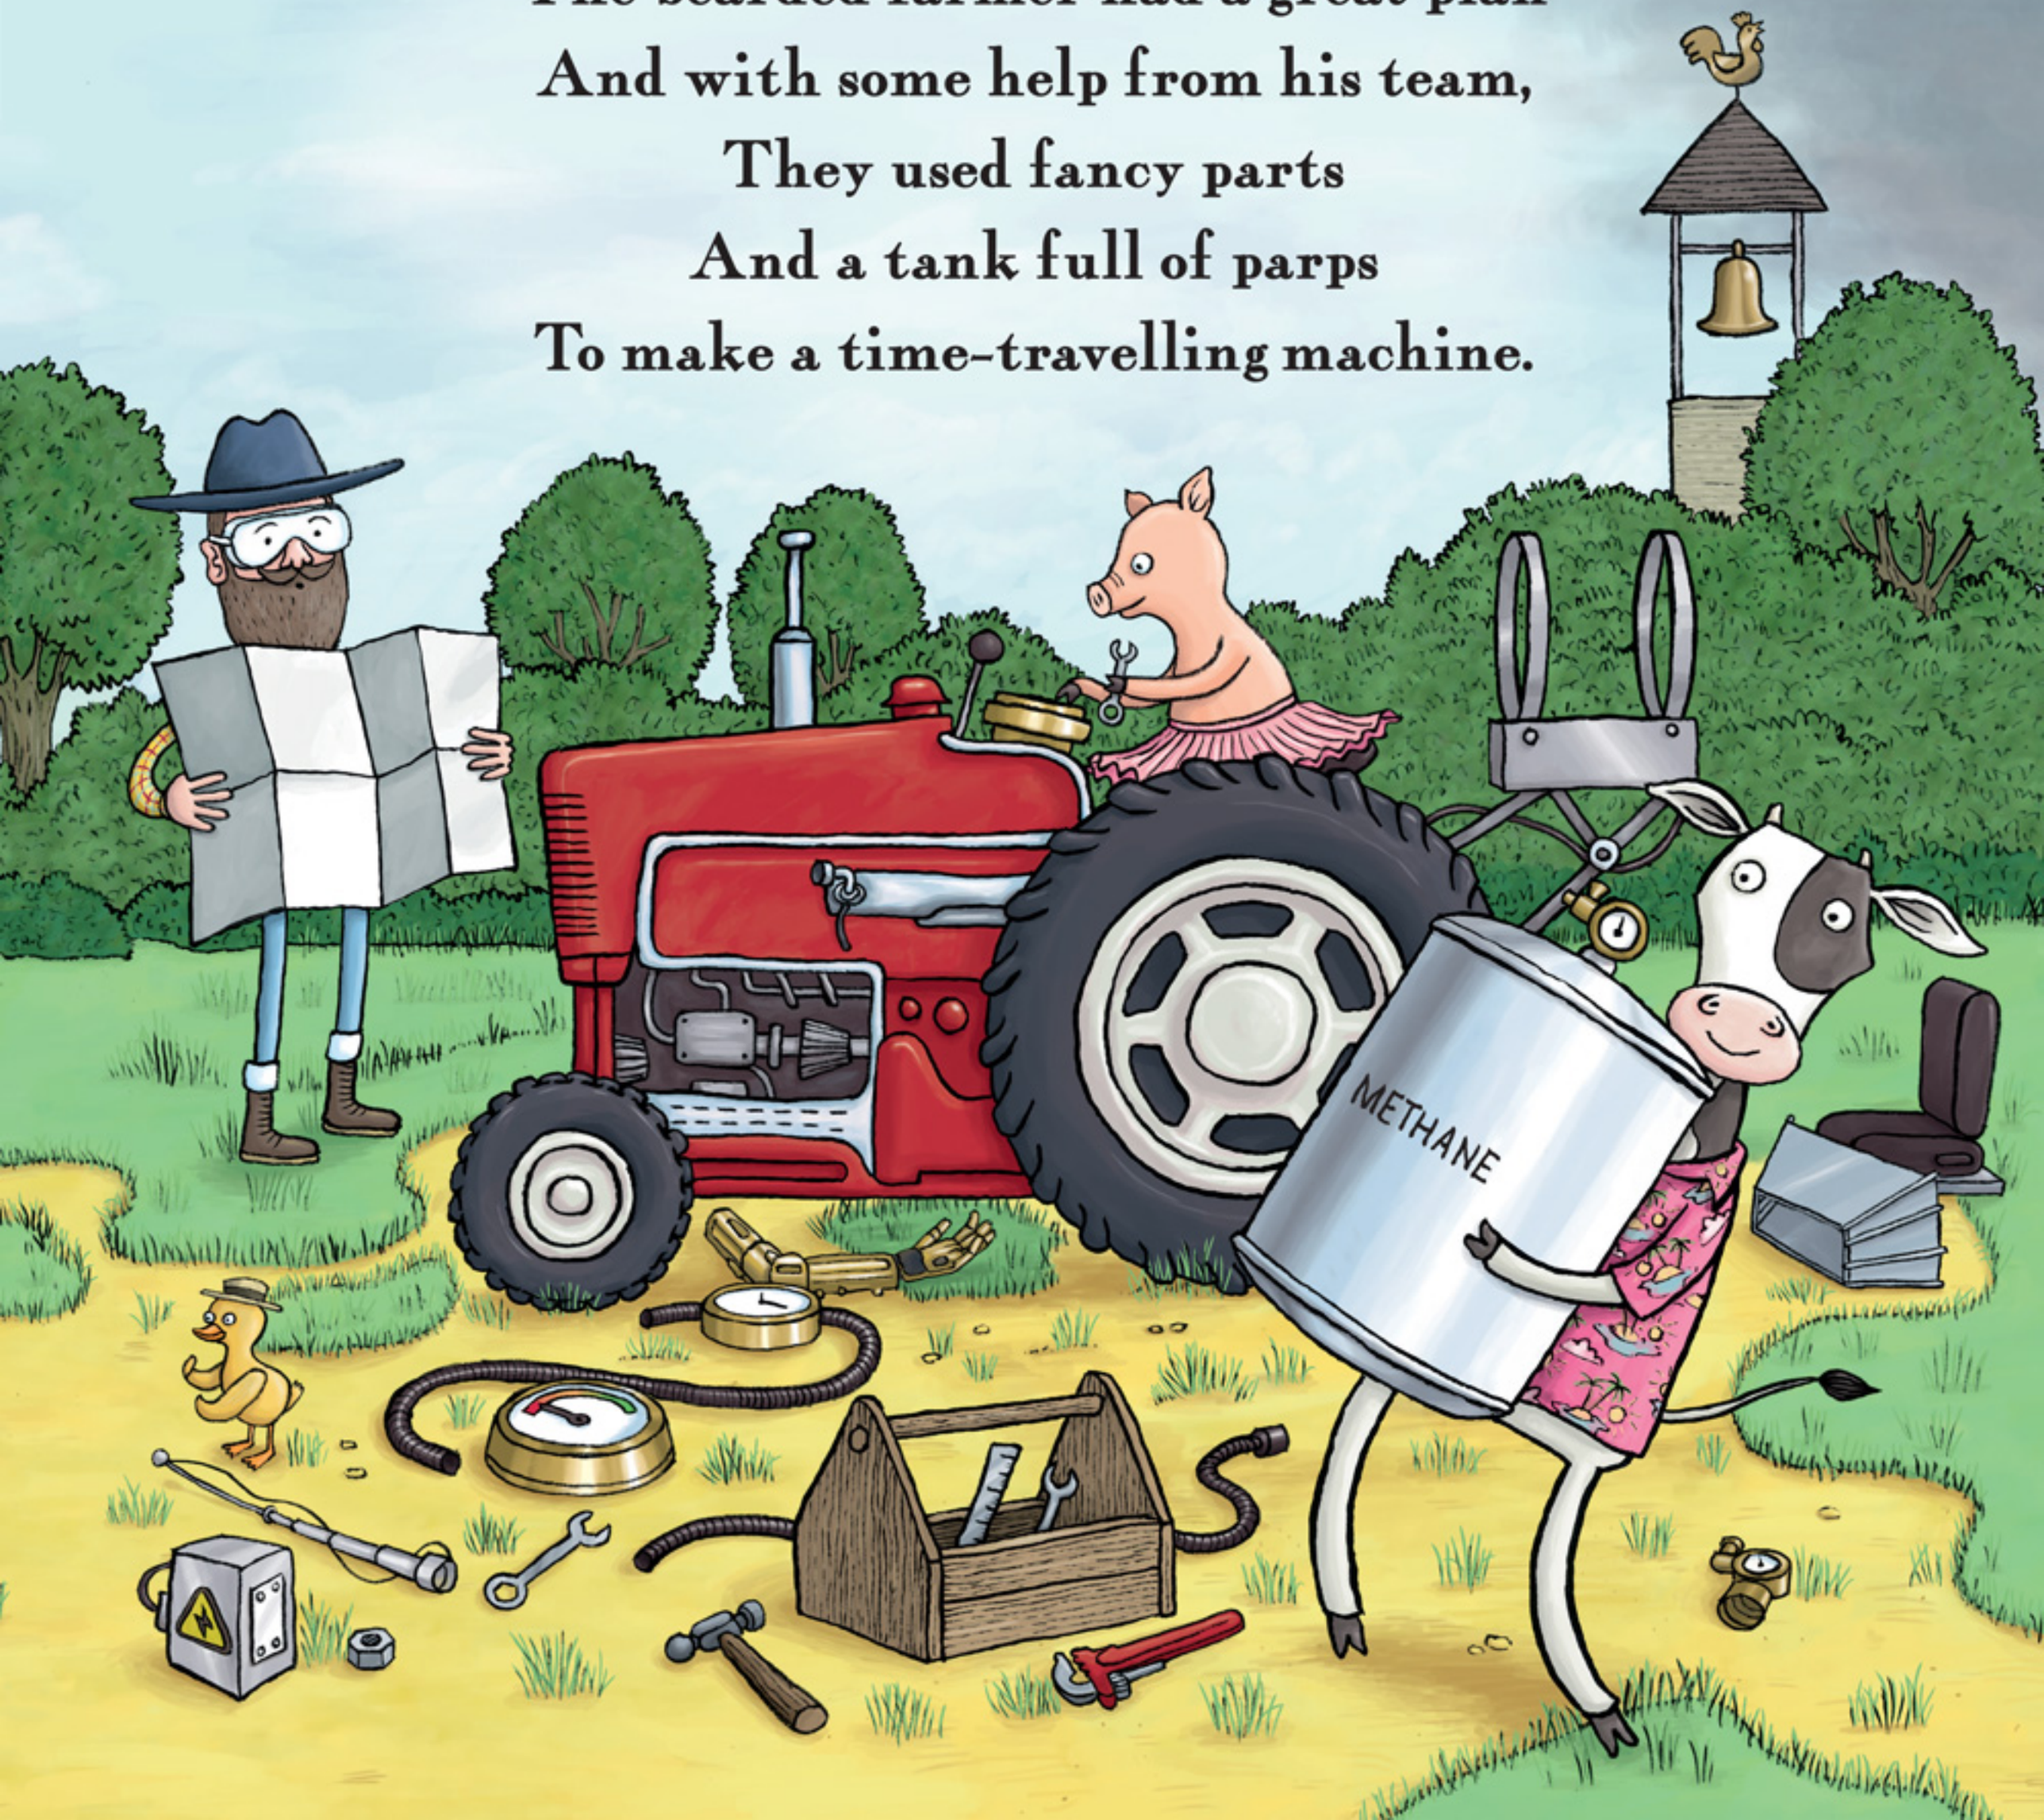

Old MacDonald had a farm...
E-I-E-I-O!

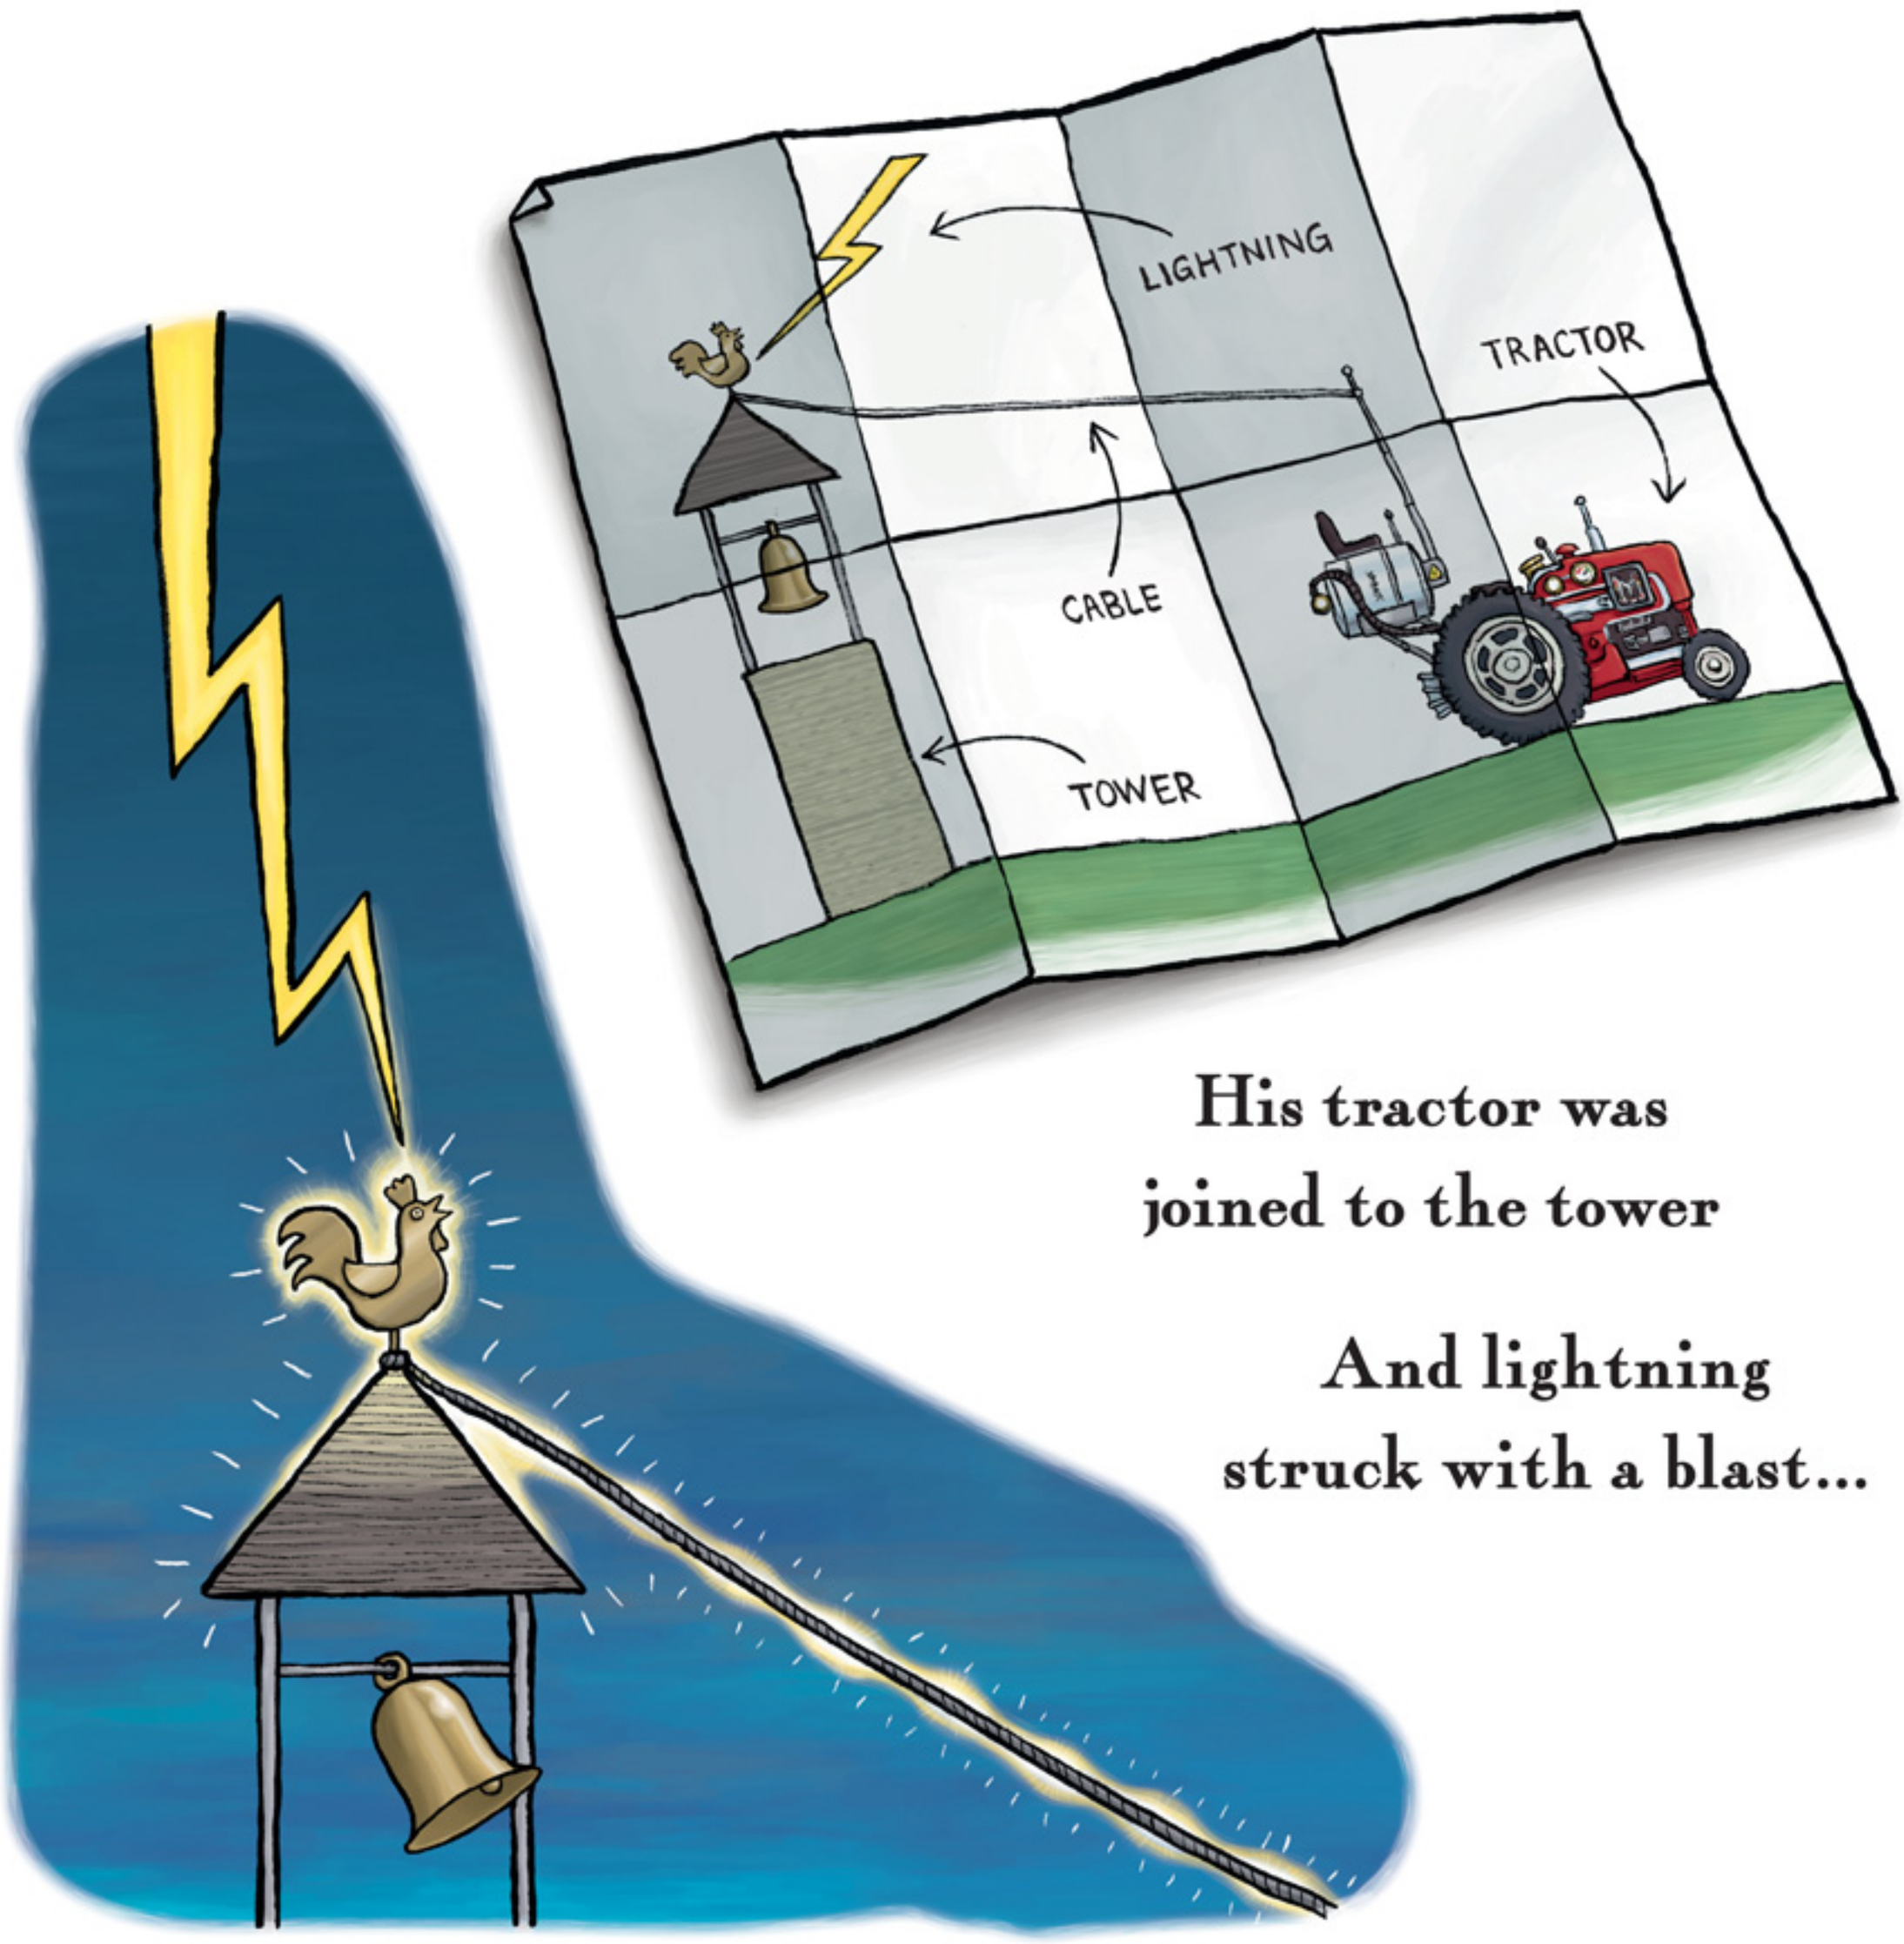

But life was boring on the farm -
He longed for a new place to go.

The bearded farmer had a great plan
And with some help from his team,
They used fancy parts
And a tank full of parps
To make a time-travelling machine.

His tractor was
joined to the tower

And lightning
struck with a blast...

And as the bell chimed

They travelled through time

To find the best parps from the past.
