
WONDER WHAT THAT SAYS.
ME TOO!
DITTO!
lemmings: small, fuzzy, illiterate rodents who share the icy North with arctic foxes and polar bears. People used to think lemmings jumped off cliffs. Now we know they don't.

READ THE BOOK, LEMMINGS!
Written by Ame Dyckman
Illustrated by Zachariah OHora
Andersen Press

Foxy found a quiet spot
to read his book
about lemmings.
"Huh!" Foxy said.
"Says here,
lemmings *don't* jump off cliffs."
JUMP? I'LL JUMP!
said a lemming.
ME TOO!
said a second.
DITTO!
said a third.
