Let's move on . . .

THE HOLE-IN-THE-GROUND HOAX

Dig a deep hole so your supper falls in,
Cover with twigs and it won't see a THING!

IMPORTANT HINT:

When you've dug your pit,
Be sure that YOU don't land in it!

Can't anybody hear me shout?
Help! I'm stuck!
Please get me out!

YIKES!

Mr Bear! Oh, trust my luck!
I think I'd rather stay here, stuck!

This next idea will DEFINITELY work!
No danger! What could possibly go wrong?

The Love Lure

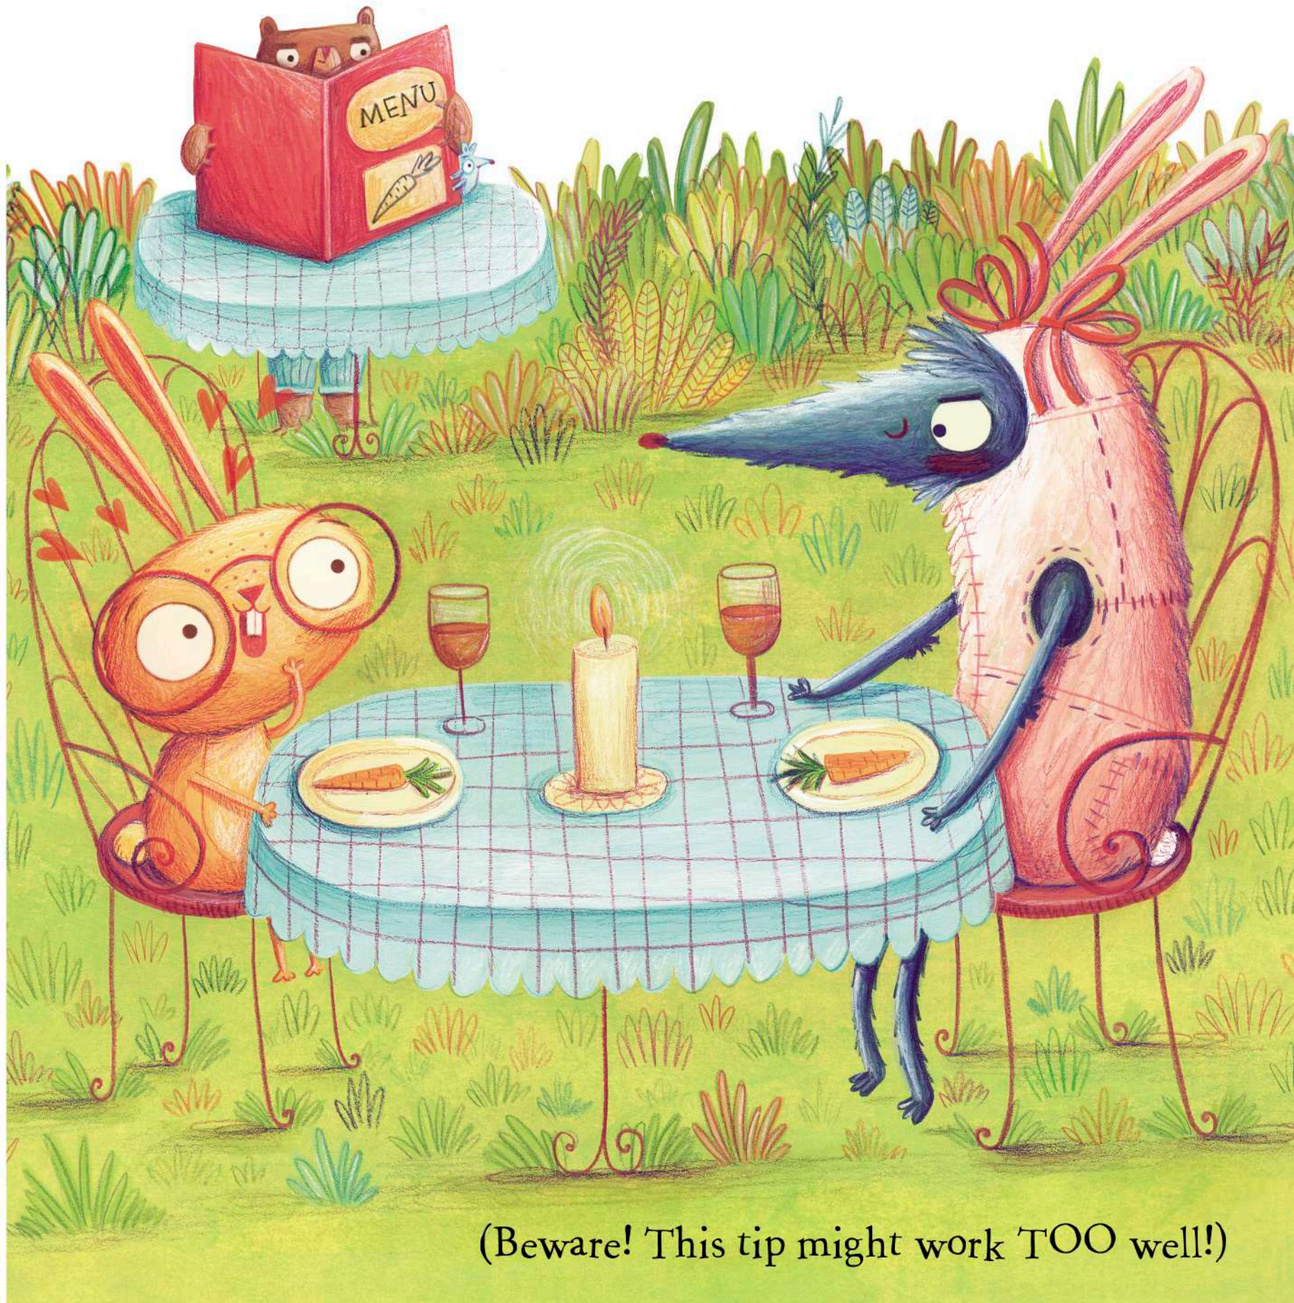

FOR ROMANTICS

1. Sew a bunny-suit

2. Add a ribbon or two

3. Fool a bunny to fall in love with you!

Just play along and he'll never tell.

(Beware! This tip might work TOO well!)

BLEARGH!

I hope my friends can't see
A bunny rabbit kissing me!

Oh no!
Not him . . . !

Please tell me I won't get kissed by a BEAR?
I'm not a bunny! I'm not a bunny! I'm not a bunny!
