The Fox and the Wolf

There was once a greedy wolf who lived in a forest. One night he came across a fox and eyed her hungrily. But the wily fox had a plan, and said to the wolf: "Follow me, and you will have as much to eat as you want". The fox led the wolf to a lake and pointed to the reflection of the Moon. "Just look at that tasty wheel of cheese!" The wolf licked his lips. and began lapping at the water. He drank more and more water and became fatter and fatter until finally – pop! – the wolf burst into a million pieces!
