SANTA CLAUS Vs THE EASTER BUNNY

ANDERSEN PRESS

Santa Claus and the Easter Bunny
lived next door to each other.
Santa was a jolly fellow.
Bunny was not.

You see, down in his garden shed, Bunny first had to make the chocolate…

Then fashion the chocolate into eggs…

Then wrap them…

(Even though the foil set his teeth on edge.)

All before delivering them by himself on foot.

(Which explains why you often find Easter eggs scattered all over your garden.)
