He makes good time in the dark,
in places where there's room to park.

Santa's sleigh is weatherproof,
with a fancy flip-top roof.

And Santa finds it quite a treat
in his soft reclining seat.

And all the lists that Santa had
are now on his new techno-pad.

He scans the presents, really fast,
not writing names as in the past.

'The screen's gone blank! It won't come on.
My list of names and gifts is gone.'

The young girl spoke out eagerly,
'I'm Jasmin, Santa. Let me see.'
With skill and speed she tapped and scrolled,
making Santa feel quite old.
