I will love you till the cows come home

from a trip to Mars through skies
unknown in a rocket ship made of
glass and stone.

I will love you till the cows
come home.

I will love you till the yaks come back
from a jaunt to town for a grassy snack

in a fire truck...

An illustration of two yaks driving a green convertible car across a large, arched bridge. The bridge has a red-orange metal truss structure. The background is a light blue sky with a large white cloud. The yaks are decorated with colorful patterns. The car is a classic convertible with black wheels and a small blue exhaust trail.

or a
Cadillac.

I will love you till the
yaks come back.
