Once there were FOUR
Naughty Naughty Baddies.

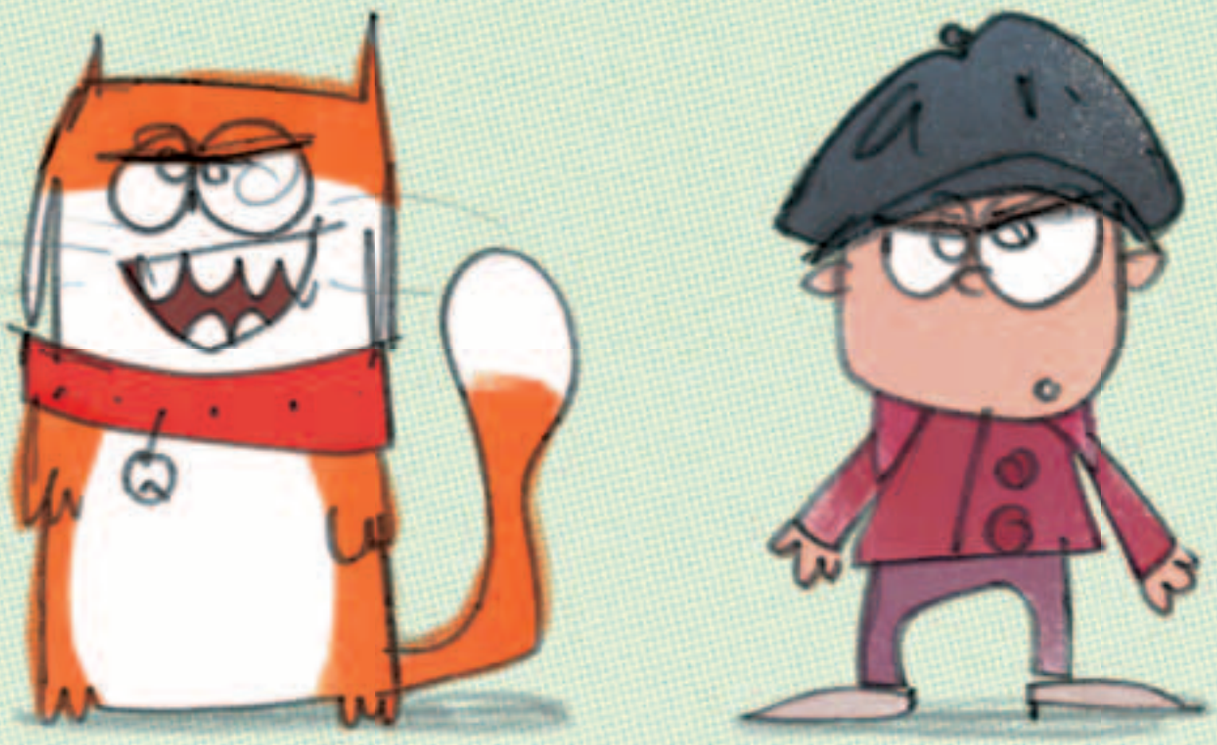

One

Two

Three Four.

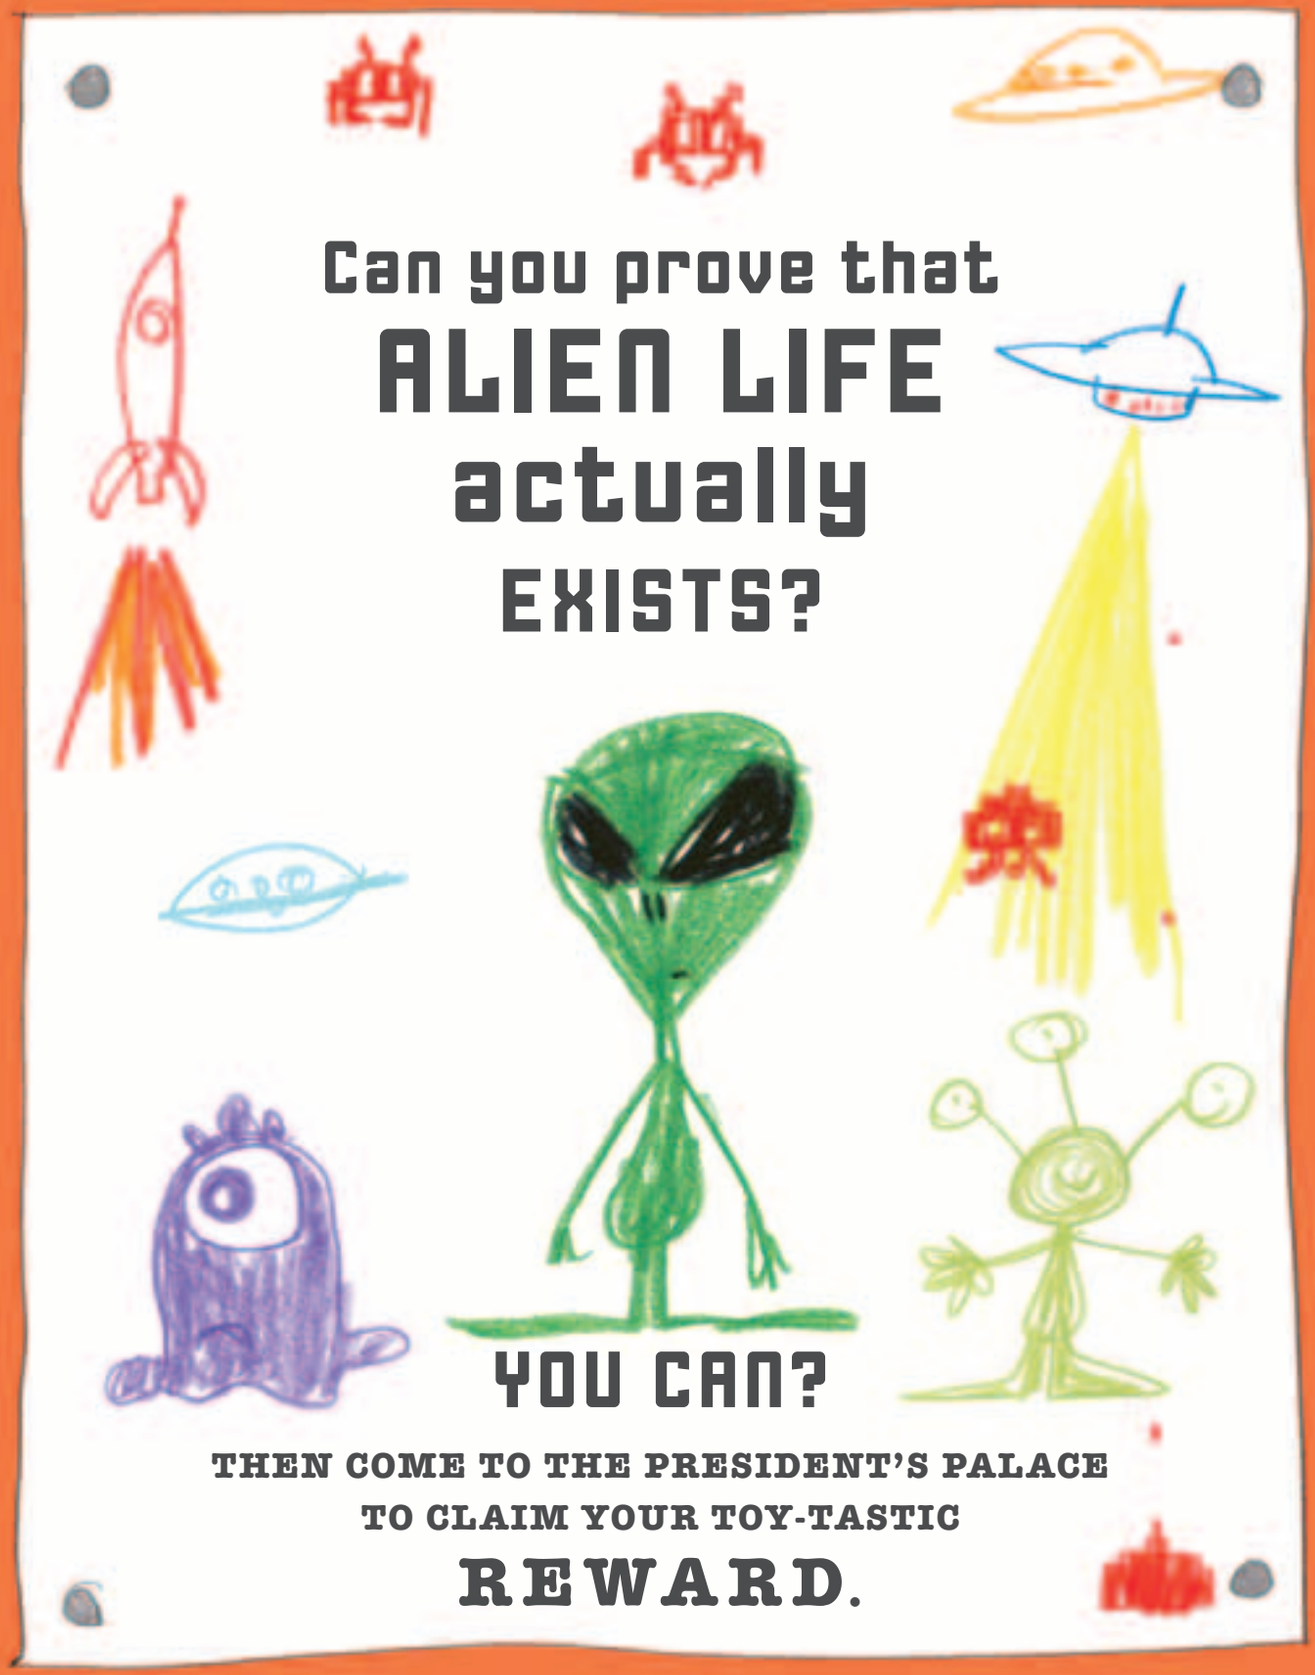

And each one was as naughty as the next.

One mischief-making morning,
the Naughty Naughty Baddies were creeping about –

Creep Creep Creep

– when they spotted something that made them come to a sudden excited STOP.

The Naughty Naughty Baddies gave WICKED grins and,
quick as a flash, a madcap plan formed in their villainous heads.

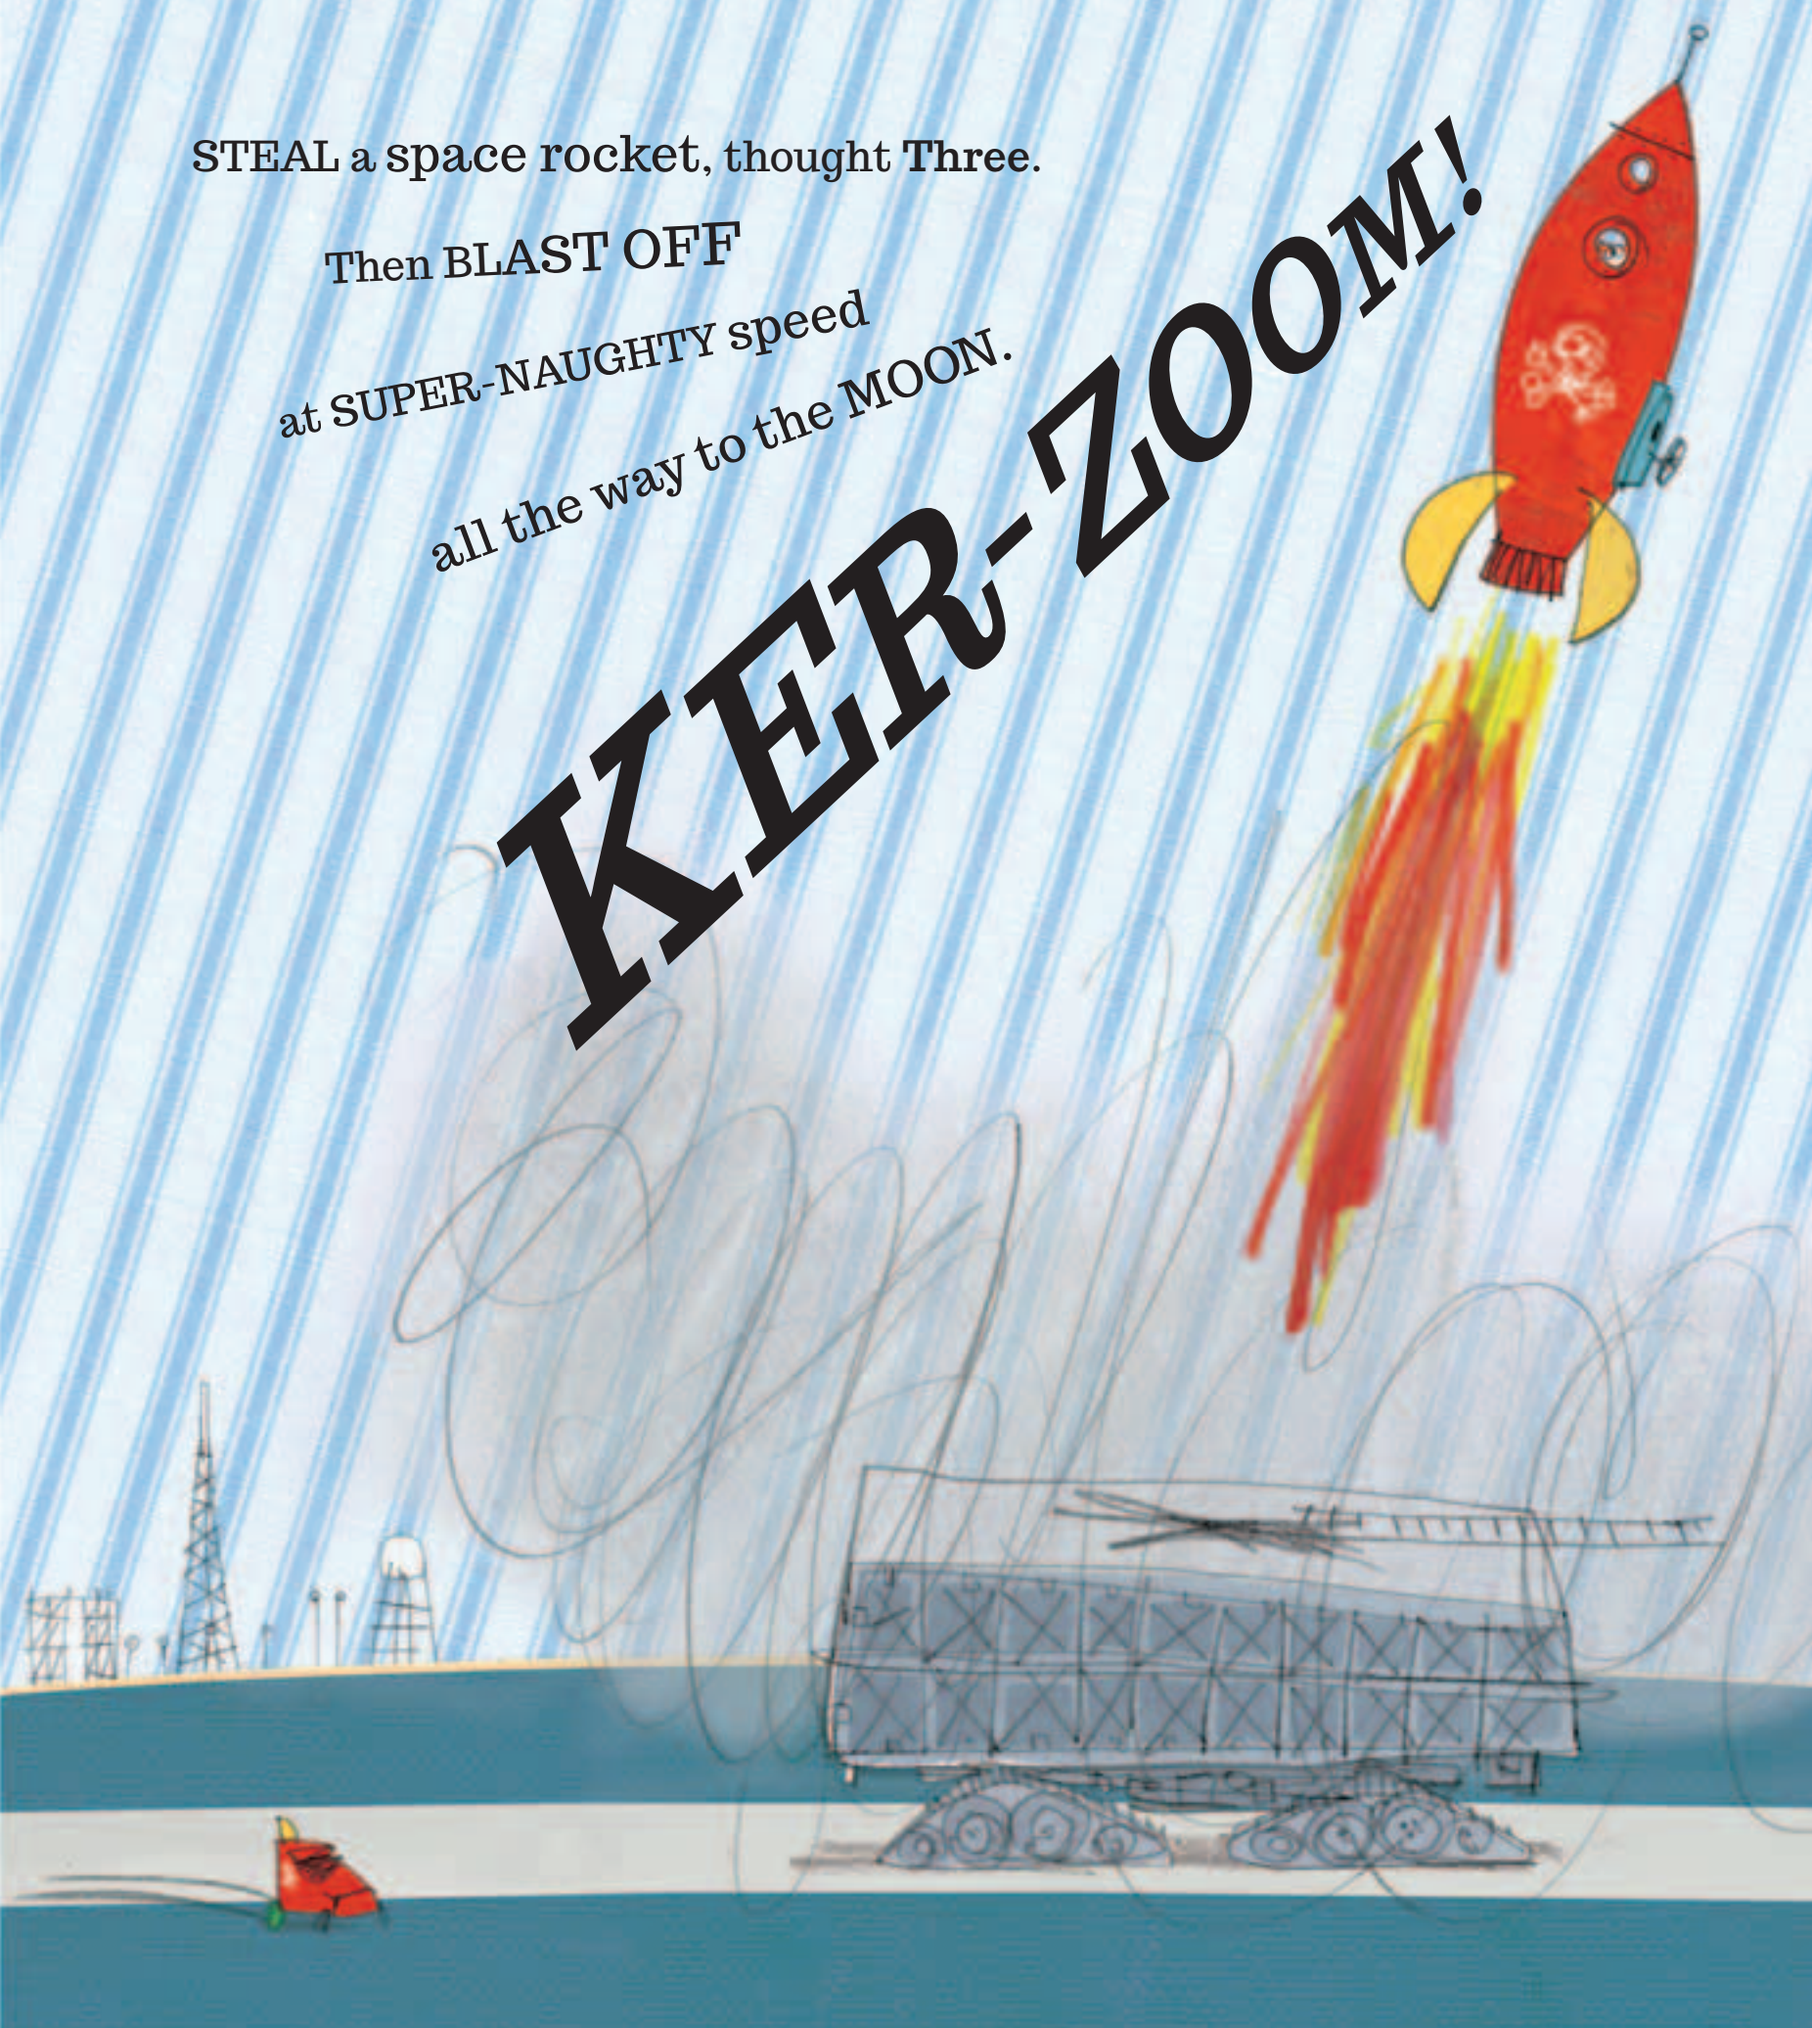

"We could JUMP on our spacehoppers," said One.

"Then CLIMB into
our Badmobile,"
suggested Two.

WHOOSH!

STEAL a space rocket, thought Three.
Then BLAST OFF
at SUPER-NAUGHTY speed
all the way to the MOON.
KER-ZOOM!

For Hannah, a wicked story for my WICKED niece! – M. S.

For Rosa & Eliana – D. T.
