This is Circle.

This is Circle's waterfall.

One day, Circle and Square and Triangle
played a game near her waterfall.
"Here are the rules," Circle said.
"I will close my eyes and count to ten.
You must hide somewhere.
When I open my eyes, I will try to find you."
Square said, "OK."
Triangle said, "Neat!"

"There is one more rule," said Circle.
"No hiding behind the waterfall."
Square said, "OK."
Triangle said, "Why not?"
"Because," said Circle. "It is dark back there."
Square said, "OK."
Triangle said, "I am not afraid of the dark!"

Circle closed her eyes and counted to ten.
"Ready or not," said Circle, "here I come!"
