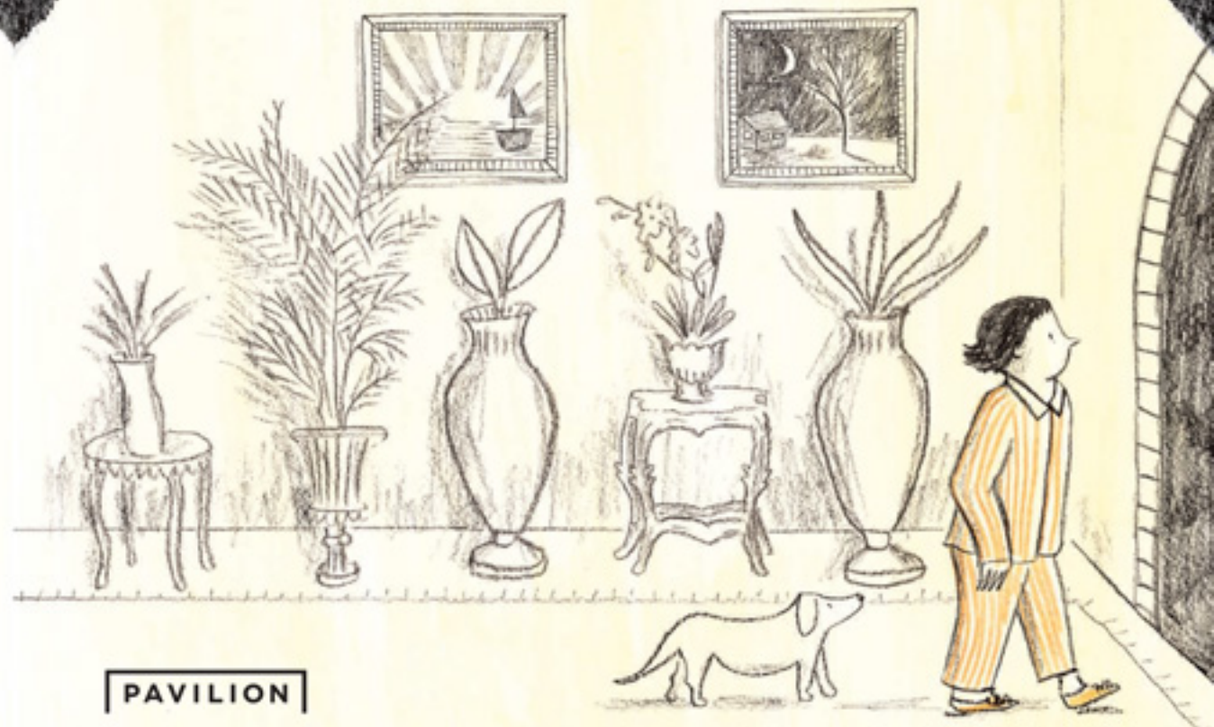
The King Who Banned the Dark



PAVILION

There was once a little boy who was afraid of the dark.
There's nothing so unusual about that.
Most children are afraid of the dark at one time or another.

But this little boy
was a Prince,
and he decided that when
he became King,
he would do
something
about the dark.
He would **ban** it.

On the first morning of his reign, the King told his advisors about his plan.

And so, the advisors started to spread rumours about the dark.
