

Handa came to stay the night with her friend, Akeyo.

"Mum says we can sleep in the hut," said Akeyo.
"That will be fun!" said Handa.

"I can hear snorting!" said Handa.
"It's Dad," said Akeyo. "He snorts when he laughs."

"Can you hear slurping?" said Handa.
"Yes," yawned Akeyo. "Nan's drinking her bedtime milk."
