At the Goodnight Laboratory we take the
Monsters Under the Bed problem very seriously.
How seriously?

STEP 4:

Check to make sure your house has lots of soap.

It does?

You are in luck! Our research shows that 99% of smelly monsters hate houses with soap in them. Nothing ruins a monster's day more than falling into a big, SOAPY, bubble bath.

STEP 9:

Never worry about monsters shaped like doughnuts.
They are more worried YOU will eat THEM.
