"Hey Bob!
Have you seen the new artist in town?"
said Owl. "He's called Roy the Sculptor
and EVERYONE'S talking about him!"

"Roy WHO?"
Bob said. "But I'm
the BEST artist in town!"

So Bob went to meet Roy.
He was a rather smug-looking blue parrot.

"Hello!" said Roy. "I hear you're an artist too.
What do you think of my fantastic sculpture?
I call it...
HAMMYbammyCHEESYbunny."

The next day, Bob made his first sculpture.

"Ta-da!
I call it
DOTTYDOT BarkyBARK."

"NICE"

"But come and look at what Roy's just made!"

"I call it LICKlickSLURPYslurp,"
said Roy.

"Humph!
It's just a big
lollipop." said Bob.

But Roy's sculptures really were EXTRAORDINARY...
Bob needed some new ideas.

That night he crept over to Roy's workshop.

"Just a tiny peek..."
he whispered.

At last, Bob and Roy revealed their creation...
"WE call it...
BLOBBYDOG
WOOF WOOF WOW!"

"Now that really is
EXTRA, EXTRA
ORDINARY!"
said Owl.

Everyone came from miles around
just to see it.
