BREAK-TIME BUNNIES

On Monday, as soon as we got to our classroom, Susie Keys pointed out of the window and

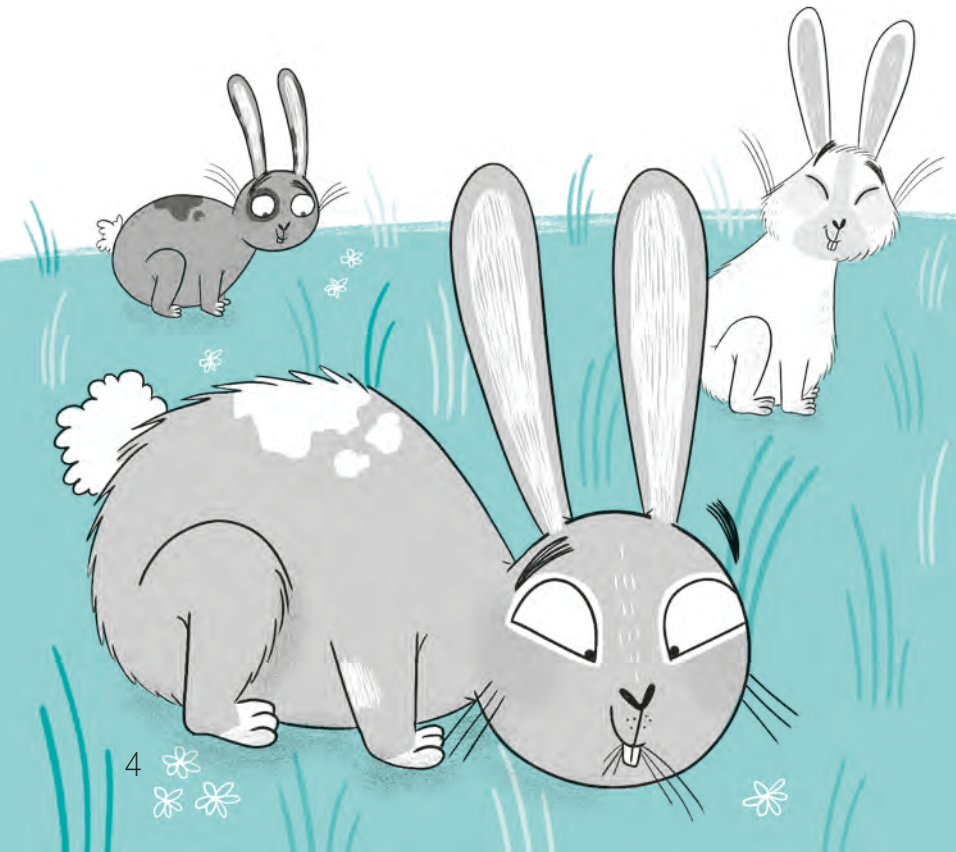

GASPED.

So we all ran over to see what the **GASPING** was about and that's when we saw that there were **FOUR** bunnies sitting on the Grassy Bit in the playground. And they were so cute!

Gavin Ross pointed to one of the bunnies and said that it was the **COOLEST** bunny he'd ever **SEEN** because it had a little black patch on one eye and it looked like a pirate.

But then Susie Keys said the pure white one was **OBVIOUSLY** the best because it was making a **NEST**.

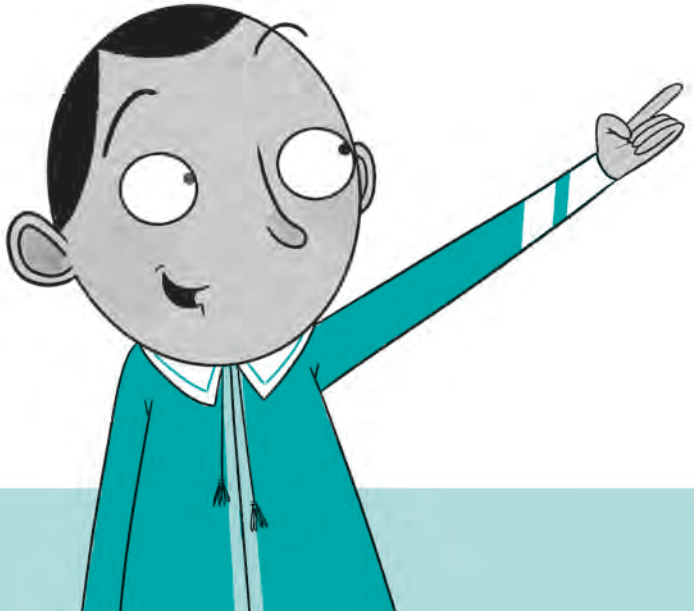

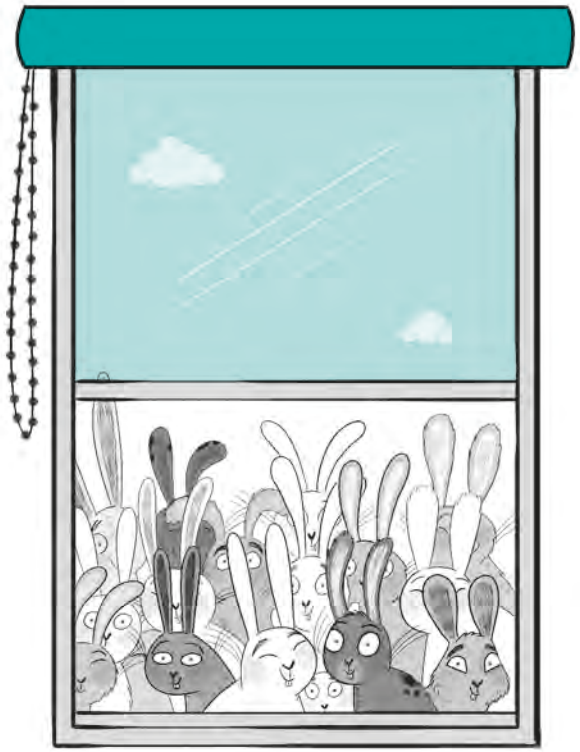

So that's when Roz Morgan said that she didn't think bunnies made **NESTS** and Susie crossed her arms and said that they **DEFINITELY DID**. And then Sunita Ram got involved because she **ALWAYS** gets involved when there's an argument.

But then all of a sudden everyone **STOPPED** arguing about the **NEST** because Jayden King squealed a bit and shouted,

"LOOK!"

So we all followed his finger to where he was pointing and **THAT'S** when we saw that there weren't just **FOUR** bunnies on the Grassy Bit any more because there were **TEN**.

That's when everyone started to **PANIC** because we had **NO IDEA** where all the bunnies were coming from and it definitely wasn't **NORMAL**.

Sunita Ram **RAN** to get Miss Riley and when she'd managed to pull her over to the window there were **FIFTEEN BUNNIES** on the Grassy Bit!

Miss Riley got a **REALLY WEIRD** look on her face when she saw the bunnies and said she was going to get Mr Harris, the head teacher, so we knew that this was **SERIOUS**.

But by the time Mr Harris got there, there were **TWENTY BUNNIES**!

That's when Mr Harris said that we all had to go to an **ASSEMBLY**.

And that wasn't **NORMAL** because usually assemblies are on a **FRIDAY**. And **NORMALLY** we get to take our coats and bags off first and hang them on our pegs. But Mr Harris said that there **WASN'T TIME** and that it was an

EMERGENCY ASSEMBLY.

So we all went to the **EMERGENCY ASSEMBLY** with our coats and bags still on and Mr Harris got up on stage and he looked **PANICKED**.

We had **NO IDEA** what was going on or what Mr Harris was going to say or where all the **BUNNIES** were coming from.

And then Mr Harris said, "Break time is officially **CANCELLED** because of the **BUNNIES**."

And everyone

GASPED.

Then **LOADS** of people started putting their hands up and asking about the bunnies but Mr Harris said that there **WASN'T TIME** for questions and then he rushed off the stage.

Then when we were on our way back to class, we overheard one of the Year 4s say that the bunnies were obviously

ATTACK BUNNIES

and that they had been **SENT HERE** by another school to take us over!

None of us had any idea what

ATTACK BUNNIES

were but we knew that they obviously weren't good and that we were probably all in **SERIOUS DANGER**.

When we got back to class Miss Riley tried to take our minds off the **BREAK-TIME BUNNIES** by closing the blinds so we couldn't see them. But none of us could concentrate because every two minutes Miss Riley would lean over her desk and peek through the blinds to check how many bunnies there were now.

Jayden King said that there were probably **HUNDREDS** of bunnies out there. But Irfan Baxter shook his head and said that there were probably **THOUSANDS** and maybe even **MILLIONS**, and that they were getting ready to **ATTACK**.

And that's when Susie Keys got up and started putting her coat on and said that she was going home, because that's what she always does when she gets scared. And then she ran out of the classroom before anyone could stop her.

So Miss Riley ran after her, and so did we because we didn't want the **ATTACK BUNNIES** to get her.

But then when we were all running along the corridor Susie started running **BACK** towards us and she looked like she'd seen a **GHOST**.

And **THAT'S** when we all looked out the corridor window and saw Mr Harris was standing in the **MIDDLE** of the Grassy Bit and he was **COMPLETELY SURROUNDED BY BUNNIES**! And he had a really weird smile on his face.
