Cowboy Ted and his friends had been busy all afternoon. They were making dens.

'Beautiful!' gasped Cowboy Ted, as Pretty Kitty painted pink flowers on her box.

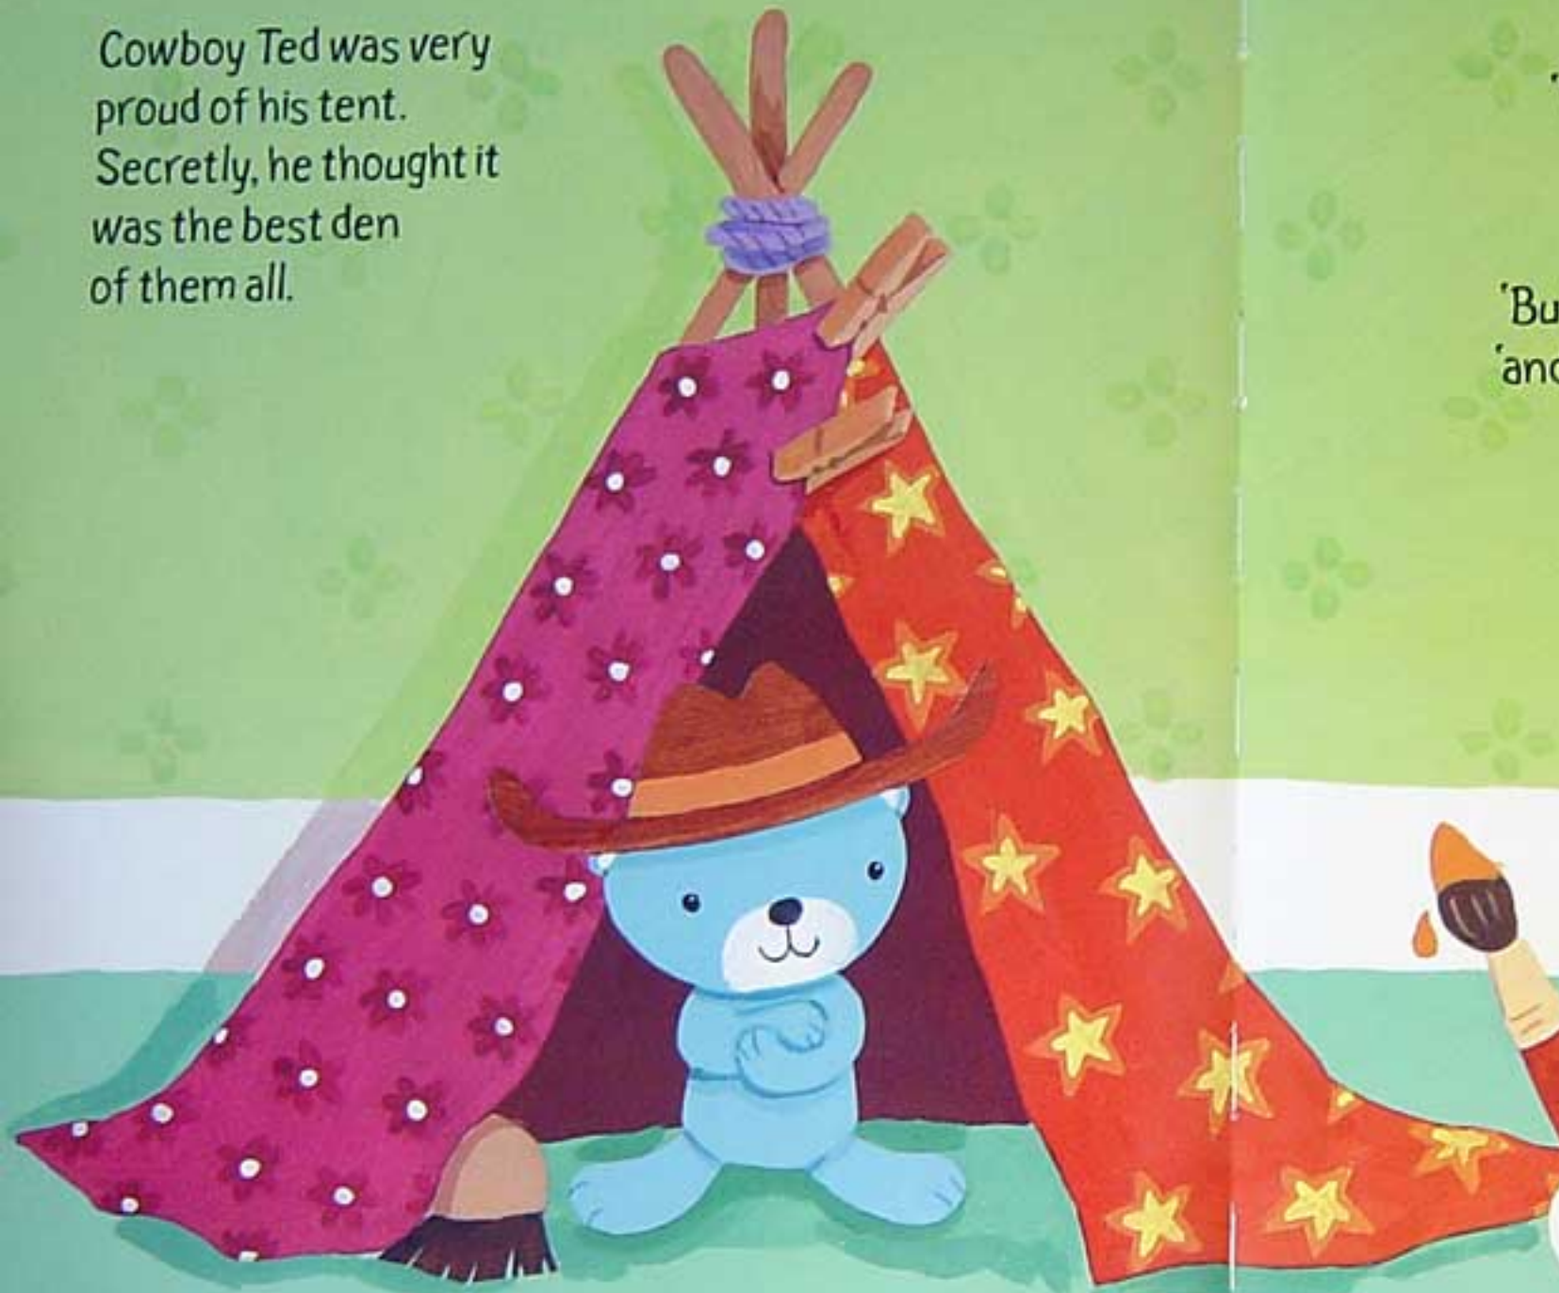

'Amazing!' said Cowboy Ted, as Hector tapped his hammer.

'Whoops!' giggled Cowboy Ted, as Spike's den began to wobble.

Cowboy Ted was very proud of his tent. Secretly, he thought it was the best den of them all.

'It's getting late,' said Pretty Kitty. 'We'd better go back to the toy box.'
'Oh!' grumbled Cowboy Ted. 'Can't we play a bit longer?'

'But it will be dark soon,' said Pretty Kitty, 'and you know you get scared of the dark.'
