

Then one day, a warthog asked, "Why are you here?"
So Num-Num explained what occurred.
"That's nonsense!" a crocodile swiftly replied,
And his friends all agreed, "That's absurd!"

"You're good at all sorts of things. Really, you are!
You're **FRIENDLY**, you're **KIND**, and you're **TRUE**.
Out of all of the animals here on these plains,
There's only one . . . only one **YOU!**"

"I'll tell you my Elephant Name," Num-Num said,
"I want to be
ELEPHANT ME."

"ELEPHANT ME! What a wonderful thing!
Now, whenever we see there's a chance,
Let's celebrate ME-NESS with all of our hearts,
And right now, I see stars . . .
. . . so let's DANCE!"
