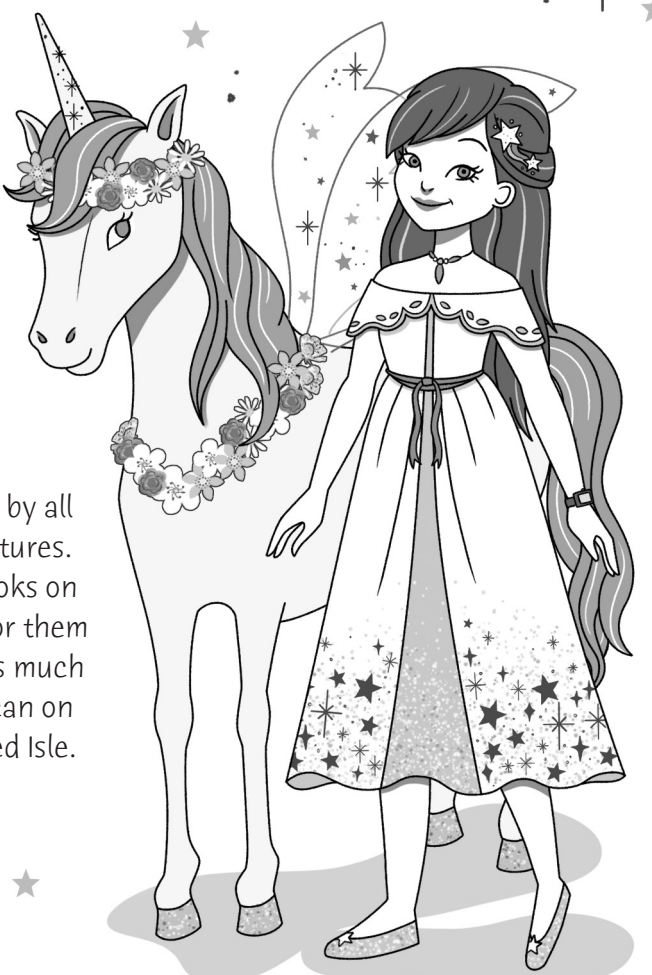
Meet the Magic Dolls

Grace, Lily and Holly are the 'Magic Dolls'. They care for the magical creatures, from unicorns to fairies and mermaids, that live on the Enchanted Isle.



Grace

is fascinated by all magical creatures. She reads books on how to care for them and spends as much time as she can on the Enchanted Isle.

Lily

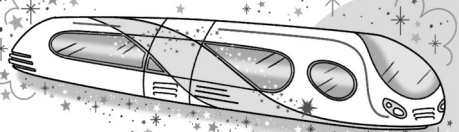
has a passion for flowers and fairies. She is brilliant at healing magical creatures with her herbs and flower potions.

Holly

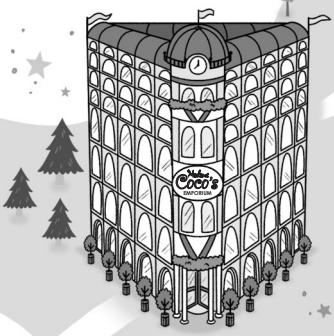
has a special relationship with the trees and woodland creatures in the Spellwood. She also loves the mermaids that live by the Sparkling Shore.

Dolly Town

The Magic Dolls live in Honeysuckle Cottage, in Dolly Town, home to all the Dolls. The Dolls work in teams to help those in trouble and are the very best at what they do, whether that's fashion design, ice skating or puppy training. Each day brings with it an exciting new adventure…



The **Shooting Star** train whisks the Dolls away on their missions.



Madame Coco's Costume Emporium has everything the Dolls might need.

The Dolls love to celebrate at the **Cupcake Café.**

Chapter One

Spring Cleaning

The Magic Dolls had decided that today would be the perfect day to spring clean Honeysuckle Cottage.

"Let's start with the library," said Grace. "All our books about magical creatures are in a terrible muddle."

"Then we could make a start on the potion room," added Lily. "I need to make up fresh batches of all my flower potions."

"And after that," said Holly, "let's treat ourselves to hot chocolate at the Cupcake Café!"

The Magic Dolls began pulling books from the shelves, sending sparkle dust pluming through the air.
