Duck & Penguin Do NOT Like Sleepovers

Julia Woolf

This is Betty and Maud. They are best friends and they love spending time together. Especially with their favourite toys, Duck and Penguin.

Duck and Penguin aren't so keen on spending time together. Occasionally they can be nice to each other... but only occasionally.

Betty and Maud are beyond excited.
They are having a sleepover.

But not just any sleepover!
"We're going to spend the night together...

... in a TENT!"
squeals Betty.

"A teeny
weeny tiny
tent," says
Maud.

"So we'll be nice and cosy, staying together," says Betty.
"All... night... long!"

Duck and Penguin aren't so sure.

Outside there are lots of strange noises.

Duck and Penguin are not that keen on all the strange noises.

Duck and Penguin aren't too sure where they are.

And they're having difficulty finding the house.

Duck and Penguin have the feeling...

that something is watching them.
