ORCHARD BOOKS

This is Rumblewick Spellwacker Mortimer B (RB for short). He is a Witch's Familiar, or extra qualified witch's cat.

This is Haggy Aggy. For the next seven years, she is his WITCH and he is her CAT.

(Check out his contract at the back of this book!)

RB's Uncle Sherbet - a retired Witch's Familiar - with his wife, Aunt Figgie

Dear Uncle Sherbet,

Thirteen Chimneys
Wizton-under-Wold
Fogsday the 15th

You always said that if I was in trouble, I should turn to you for help. Now I am. HELP! It looks like my witch doesn't want to be a witch. She refuses to cackle. She won't get on a broomstick if she can help it. She's banned frogs' legs, newts' eyes, bat wings etc from our potions. AND she's completely turned against frightening children. All she wants to do is shop, watch telly and make some friends who aren't witches. What shall I do?

Your nephew,

Rumblewick Spellwacker
Mortimer B.

PS: Her name is Haggy Aggy (HA for short).
