The B on Your Thumb

Colette Hiller
and
Tor Freeman

Sounds

Some letters sound as they are meant to.
Other letters change.
They sometimes make surprising noises.
English can be strange!

The Sh in Your Shoe

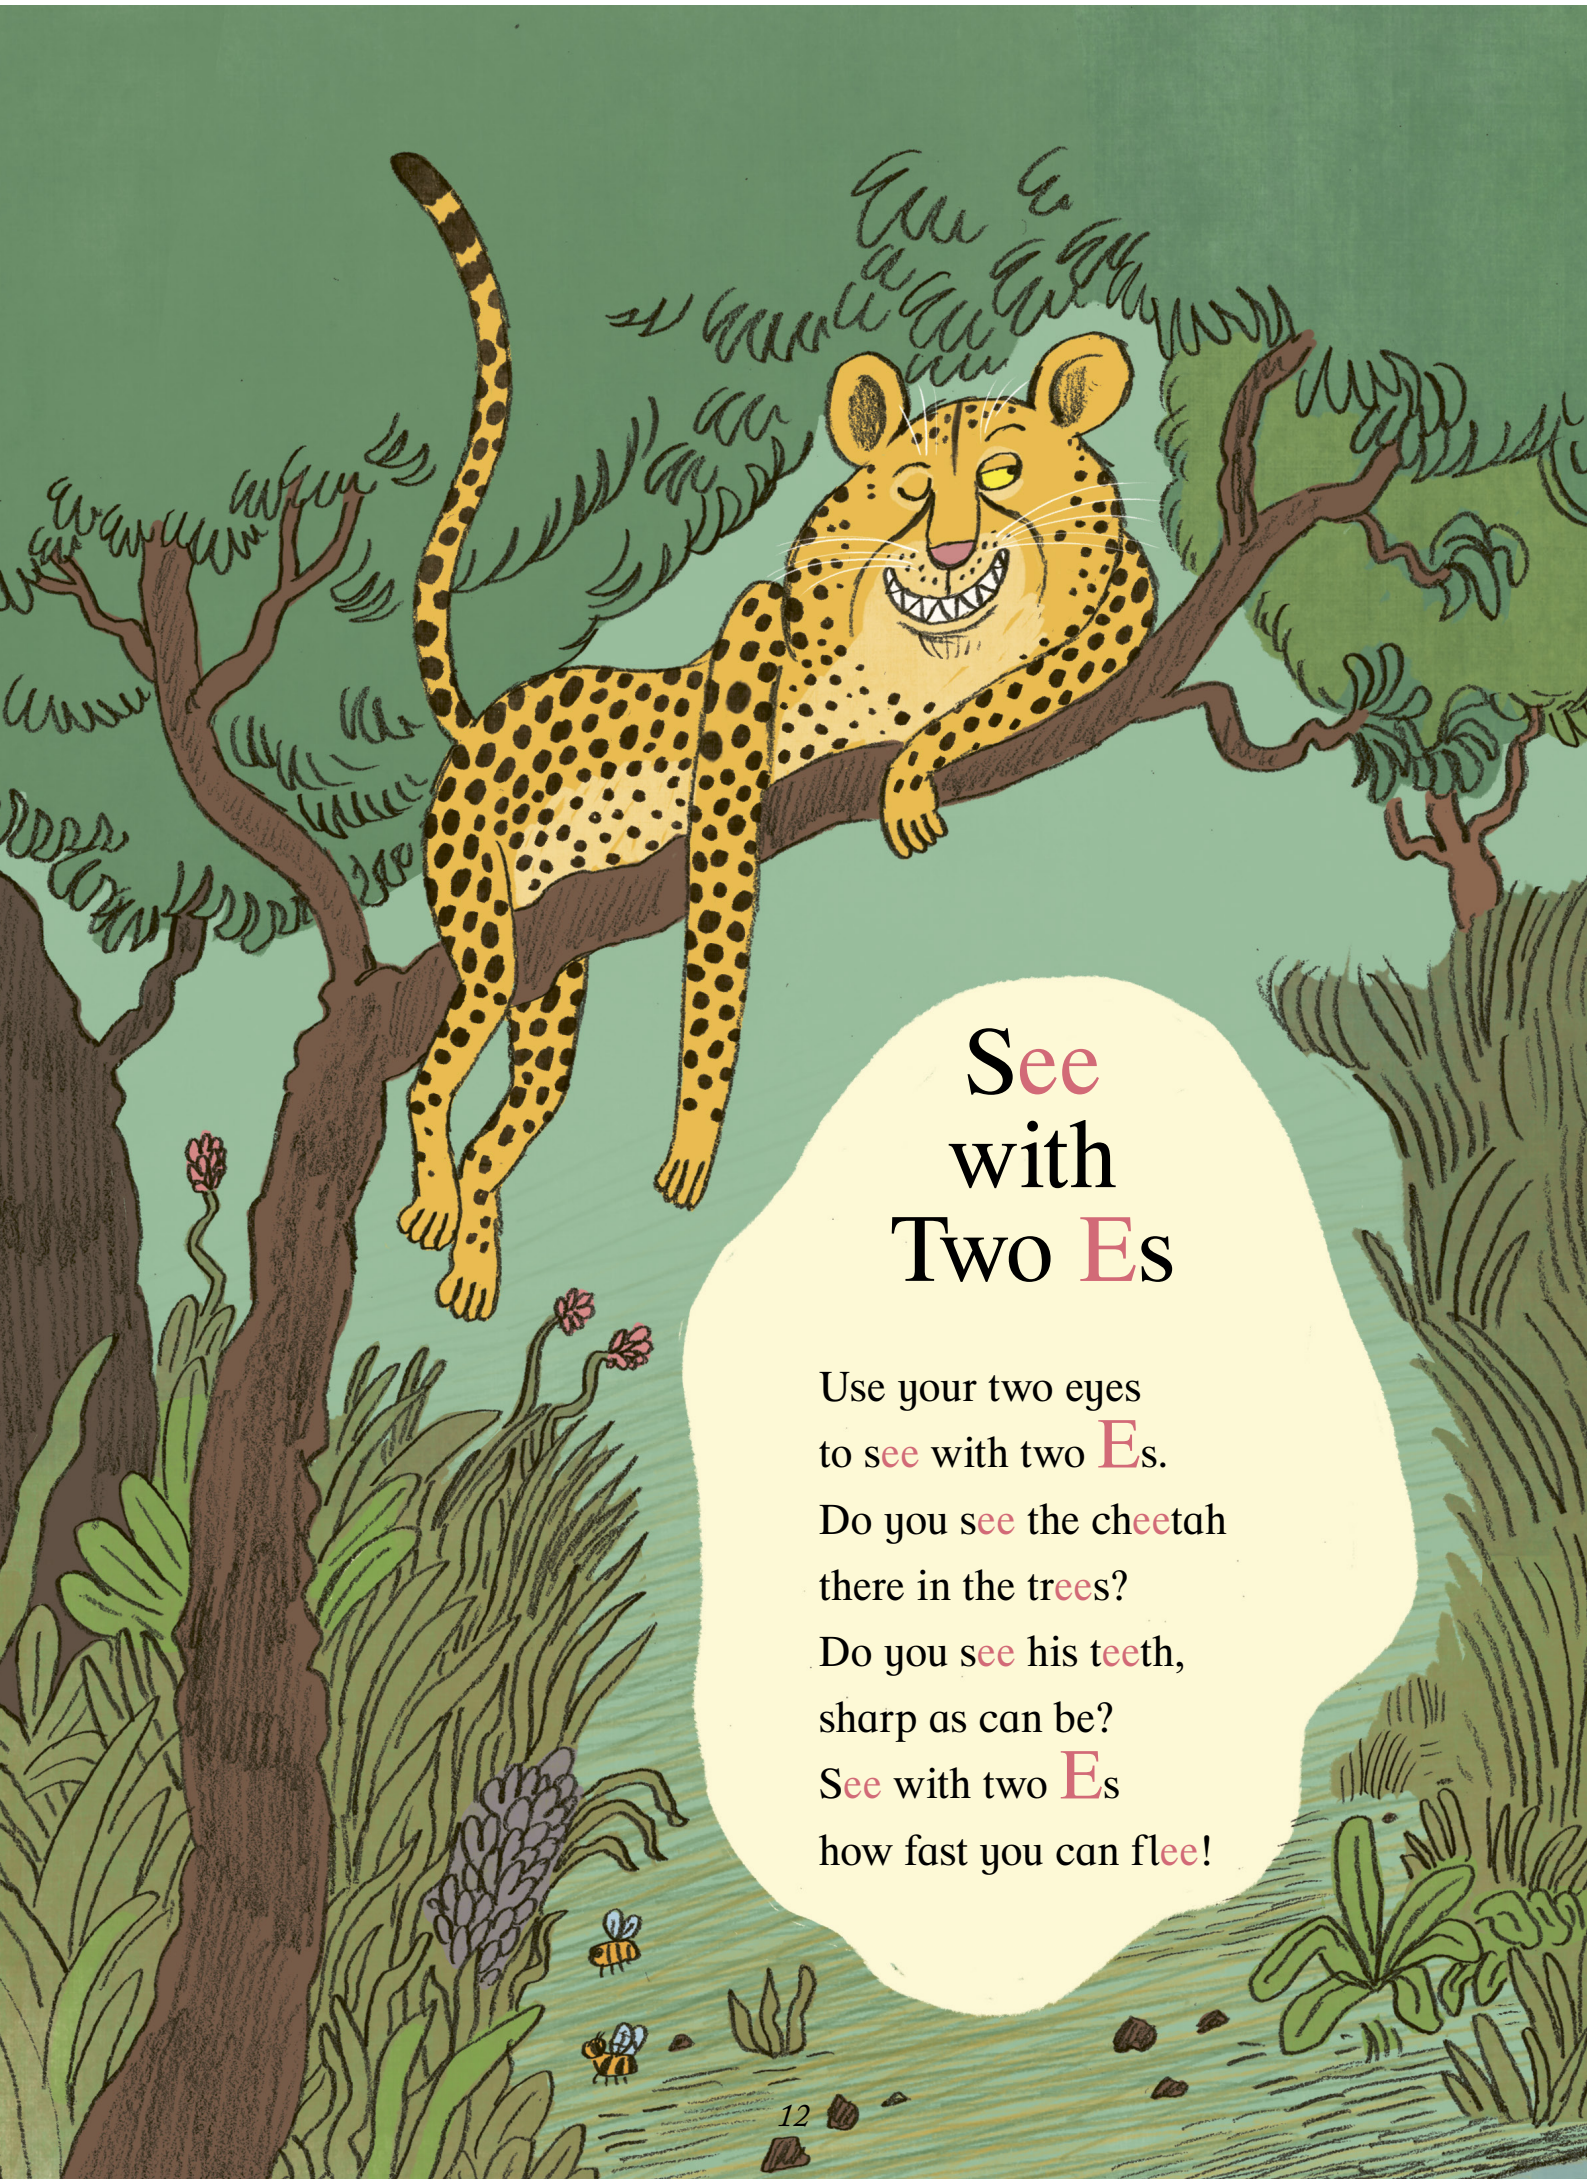

Once there was an S
who usually went ssss…
Along came an H.
Together they went shhh…

S and H go sh,
that is what they do.
The sh that's in your shoulder,
the sh that's in your shoe.
S and H go sh,
that is what they do.

The sh that's in your shower,
the sh in your shampoo.
S and H go sh,
that is what they do.
S and H go sh,
which isn't very loud,
but S and H can also make a…
sh sh sh... SHOUT!

See with Two Es

Use your two eyes
to see with two Es.
Do you see the cheetah
there in the trees?
Do you see his teeth,
sharp as can be?
See with two Es
how fast you can flee!

EEK!!
E
E

O-U are Inside Out

O-U can really shout.
O-U are inside out.
O-U are all about.
And you are O-U-T spells out!

O-U are on the ground.
O-U are all around.
O-U can really pout.
And you are O-U-T spells out!
