

Stretch up tall, fine flamingo.

Strut around. You're very proud.

Stretch out your wings to show their colour.

Take a bow. What a beautiful bird!

Crouch down... then jump up!

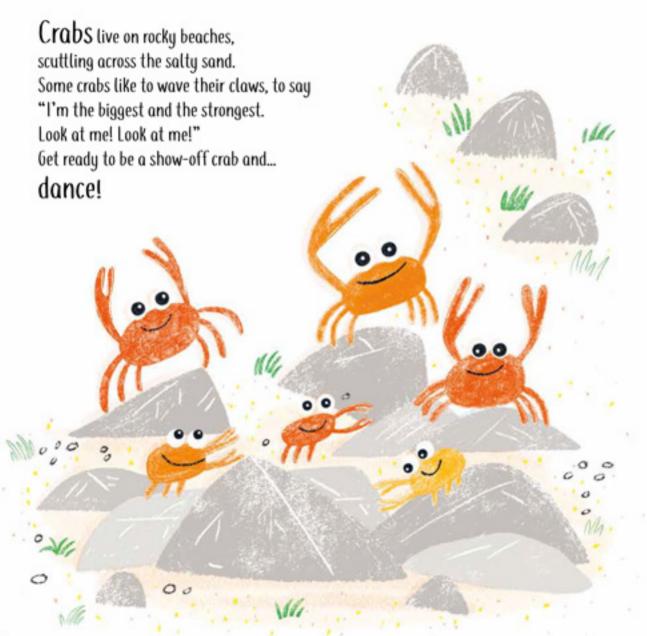

Bounce, bounce along the ground.

Grab a piece of fruit to eat.

Now stretch out your arms. It's time to sunbathe.

Hold up your arms like two strong claws.

Scuttle sideways, this way and that.

Wave a crab claw up and down.

Here comes a seagull. Quickly! Hide!
