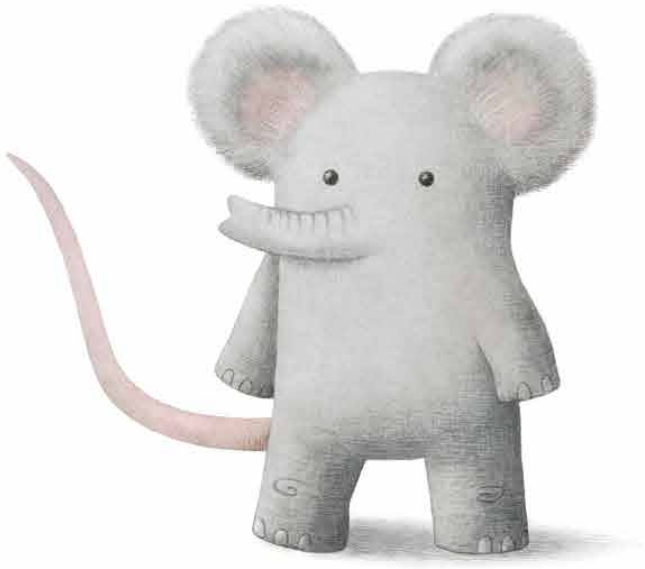
THE BARNABUS PROJECT

By Terry, Eric & Devin Fan

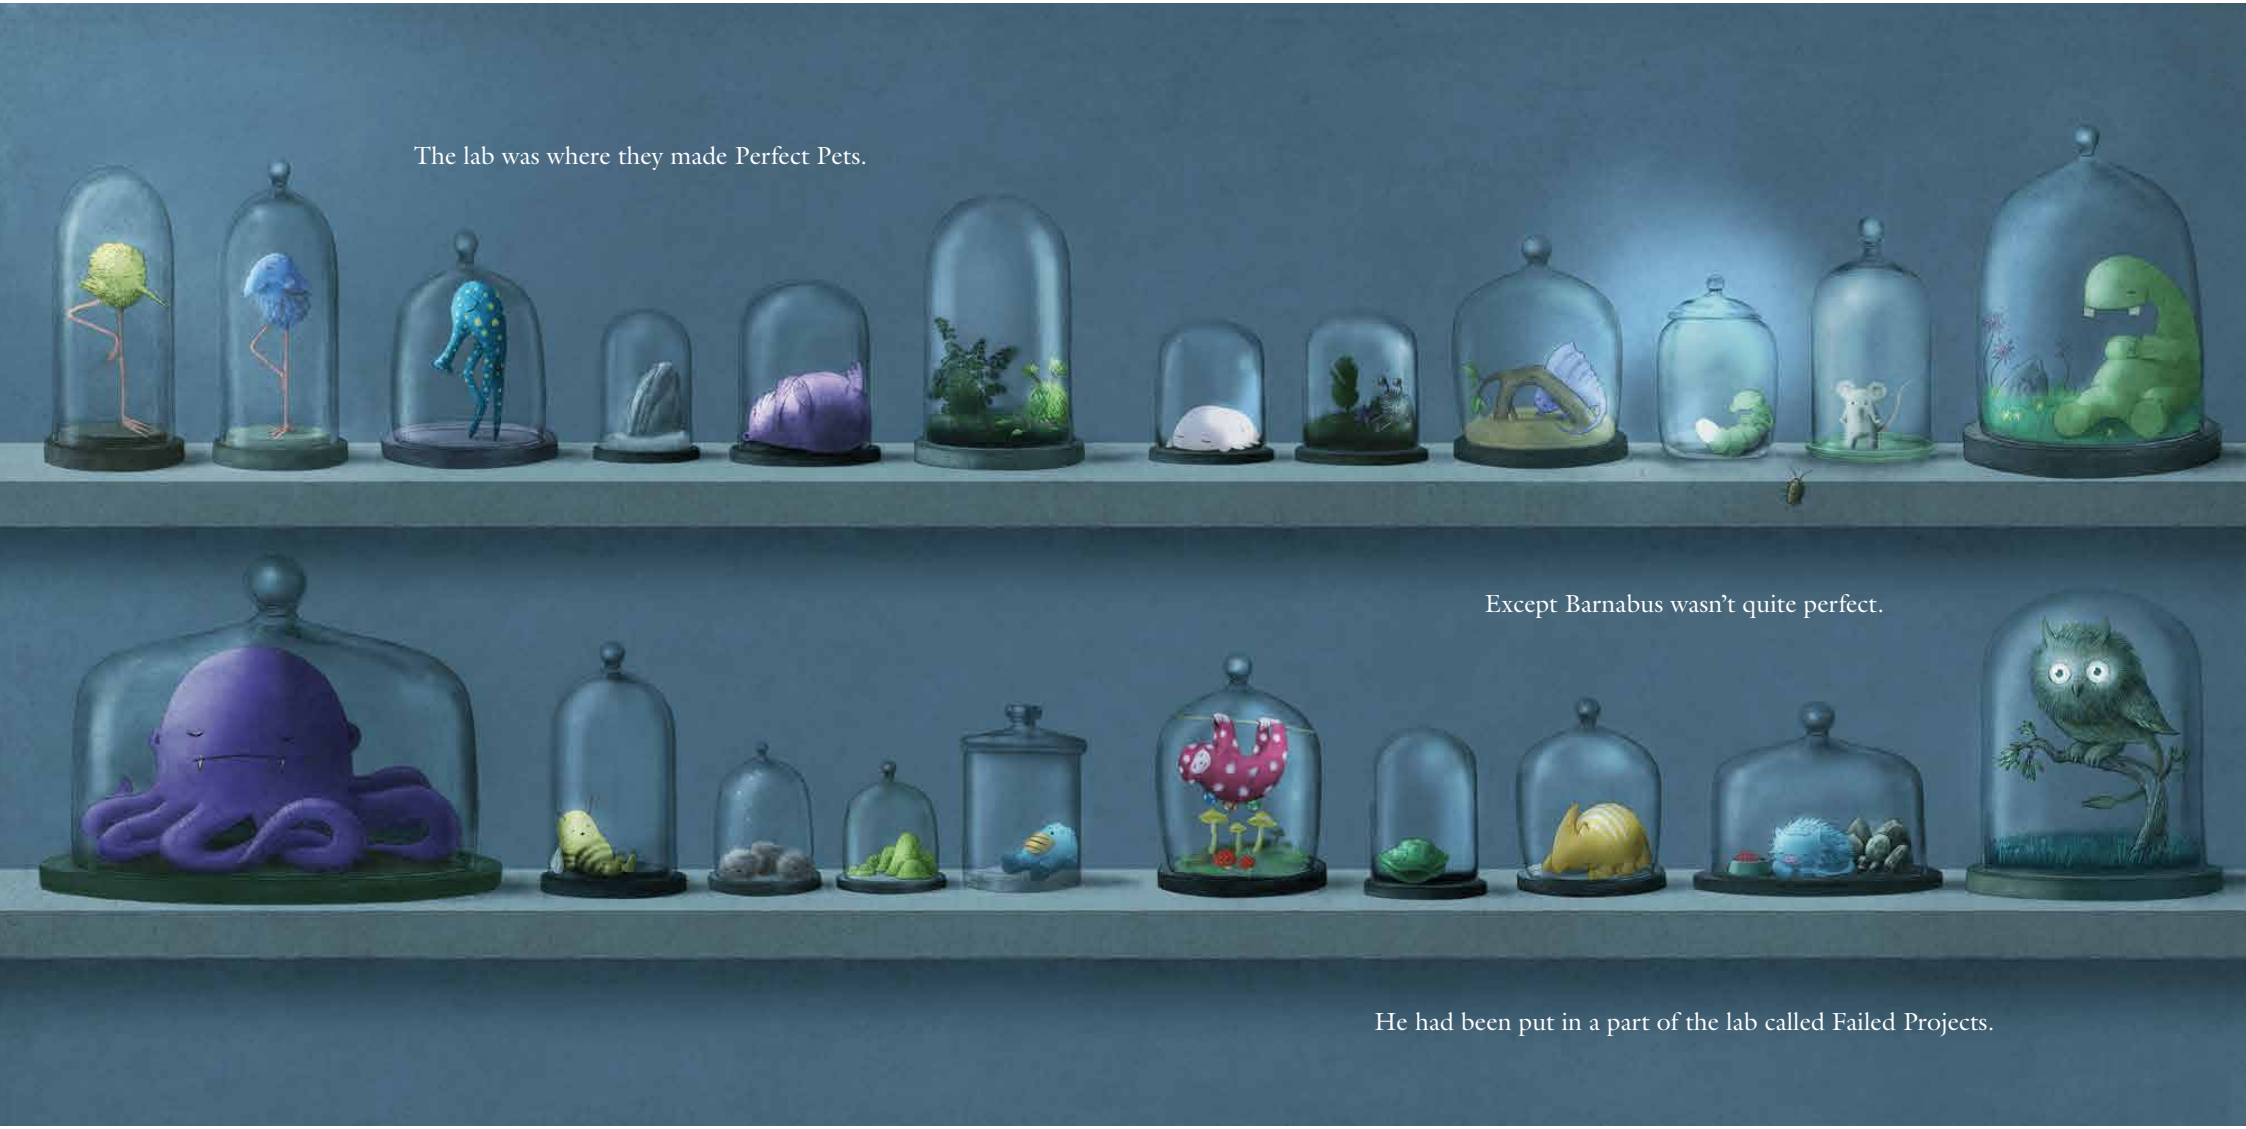
Frances Lincoln
Children's Books

Barnabus lived in a secret lab.
He was half mouse and half elephant,
and he had lived in the lab as long as he could remember.



The lab was hidden beneath Perfect Pets on a perfectly ordinary street.

It was deep underground,
where no one would
ever find it.



The lab was where they made Perfect Pets.
Except Barnabus wasn't quite perfect.
He had been put in a part of the lab called Failed Projects.

For Sarah and Tara, and all the failed projects, big and small,
who have dreamed of seeing the stars.
