To Imani, to all my Faith.

– I.X.K.

To all the young people whose own imaginations are unbound by the imaginations of state violence and white supremacy, and who hold the power to build a world that is antiracist. I believe in us.

ANTIRACIST BABY

ILLUSTRATIONS BY

IBRAM X. KENDI

ASHLEY LUKASHEVSKY

PUFFIN

Antiracist Baby is bred, *not* born.

Antiracist Baby is raised
to make society transform.

1 Open your eyes to all skin colours.

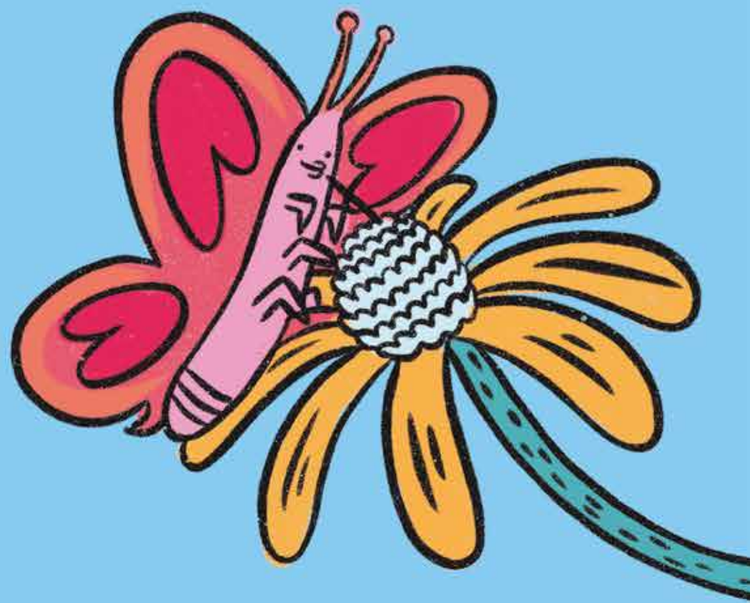

Antiracist Baby learns all the colours,
not because race is true.
If you claim to be colour-blind,
you deny what's right in front of you.

3 Point at policies as the problem, not people.

Some people get more, while others get less . . .
because policies don't always grant equal access.

9 Believe we shall overcome racism.

Antiracist Baby is filled with
the power to transcend, my friend.
And doesn't judge a book by its cover,
but reads until . . .

THE END.
