Old Macdonald had a phone

And it was very smart,

It helped him organise his farm

And fill his shopping cart...

With a tractor here

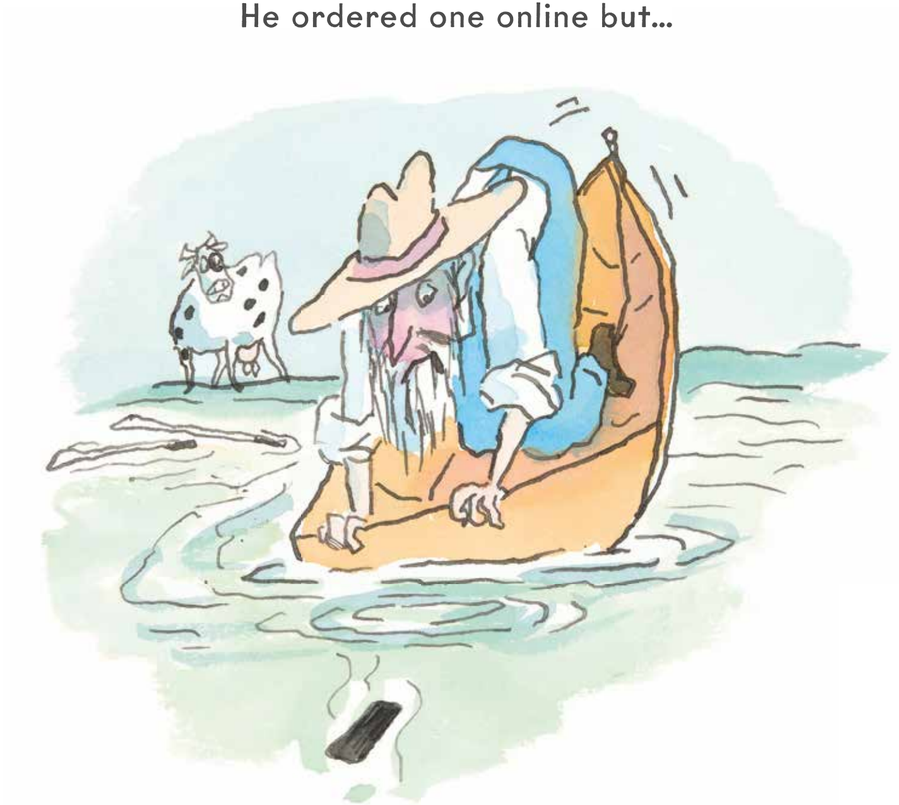

And a pig trough there,

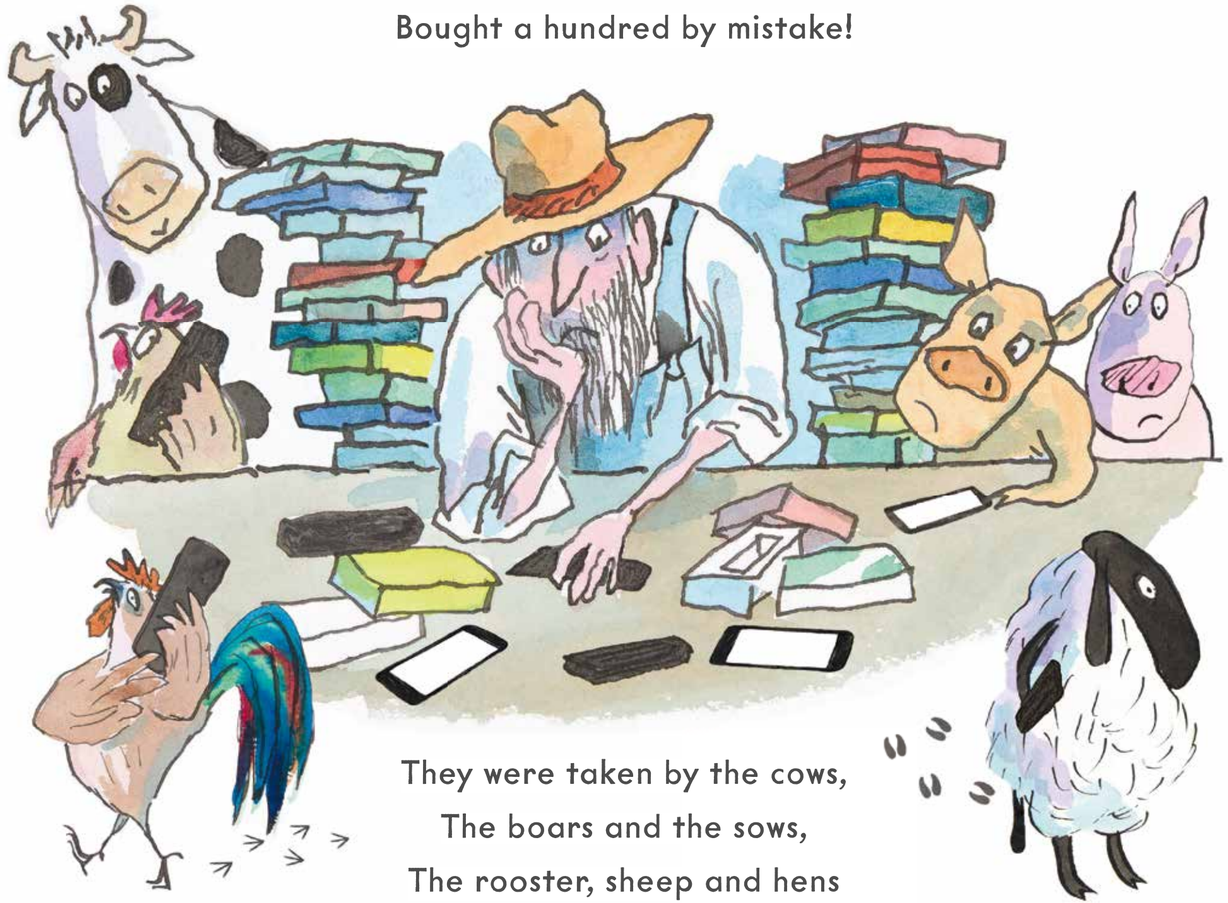

Chicken feed, cabbage seed,

Everything he might need.

Old Macdonald had a phone
He dropped it in the lake.
He ordered one online but...

Bought a hundred by mistake!

They were taken by the cows,
The boars and the sows,
The rooster, sheep and hens
And all their furry friends.

Everybody had a phone
And it was such good fun!

Nobody would put them down
So nothing else got done.

The rooster didn't crow,

The horse wouldn't go...
