What Happened to You?

Joe was playing his favourite game.

It had sharks.

And possibly
crocodiles.

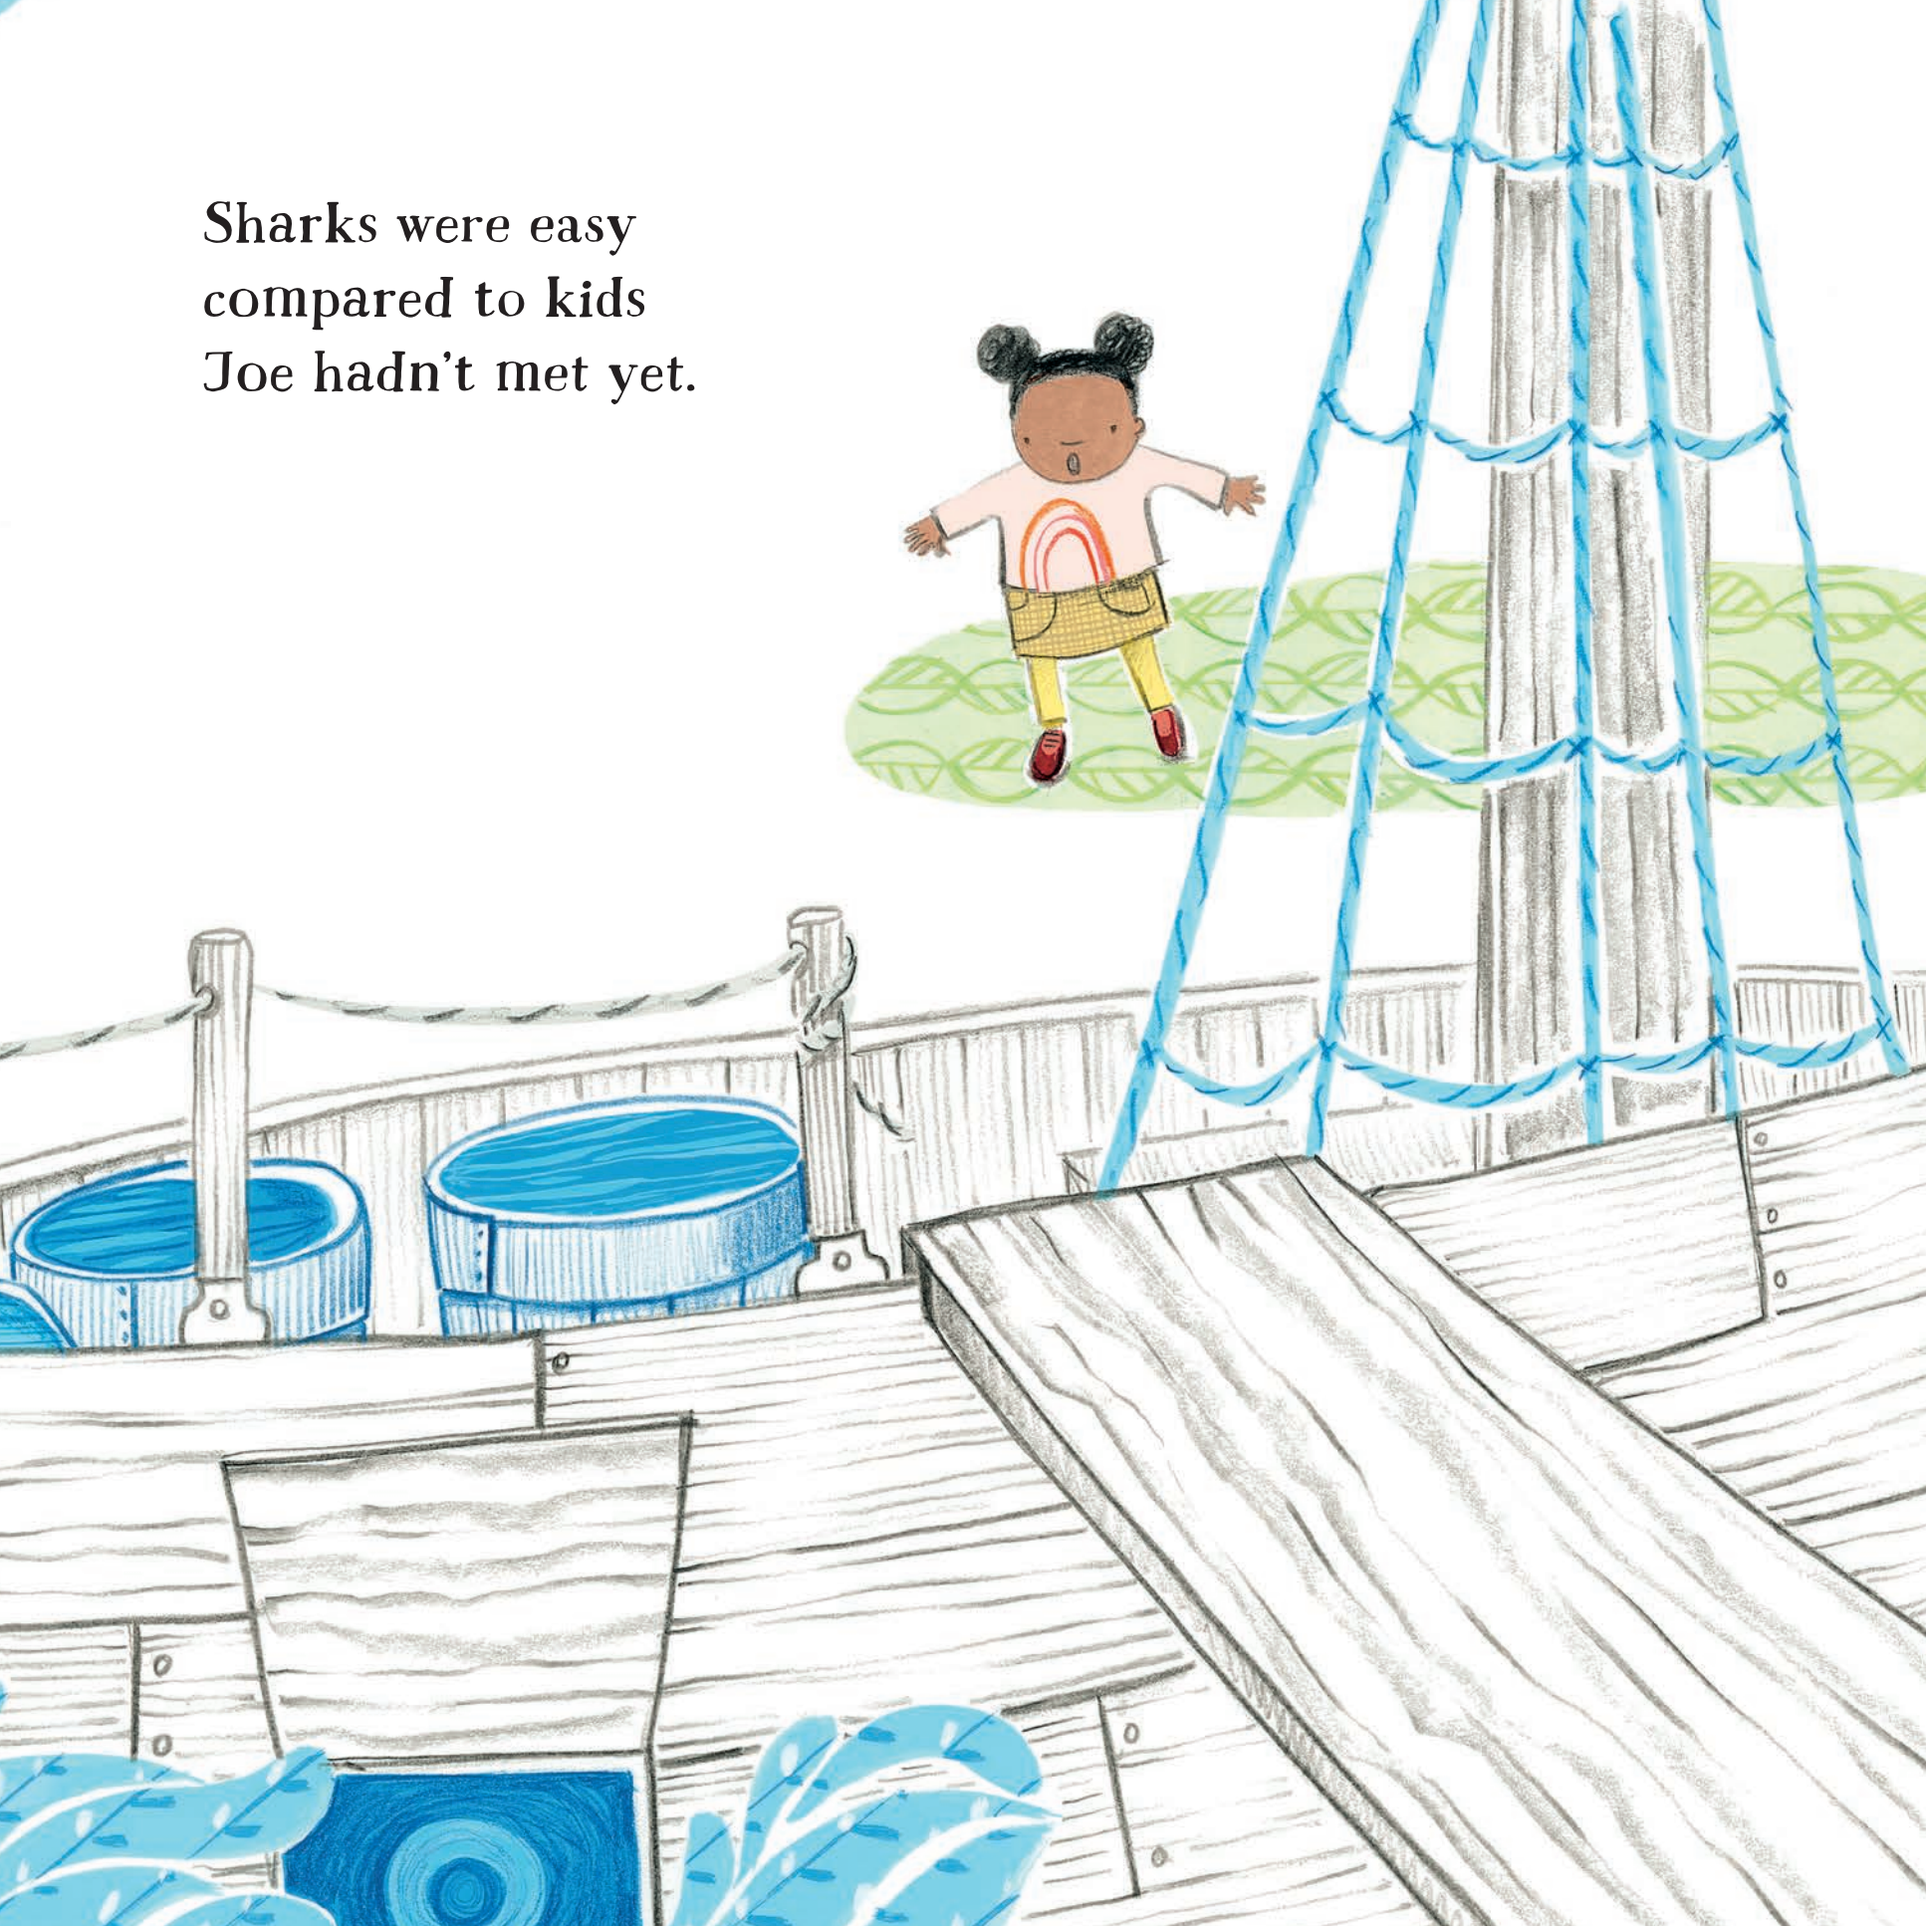

But crocodiles and sharks were no match for pirates like Joe.

“Not this time, Señor Sharkface!”

Sharks were easy
compared to kids
Joe hadn't met yet.

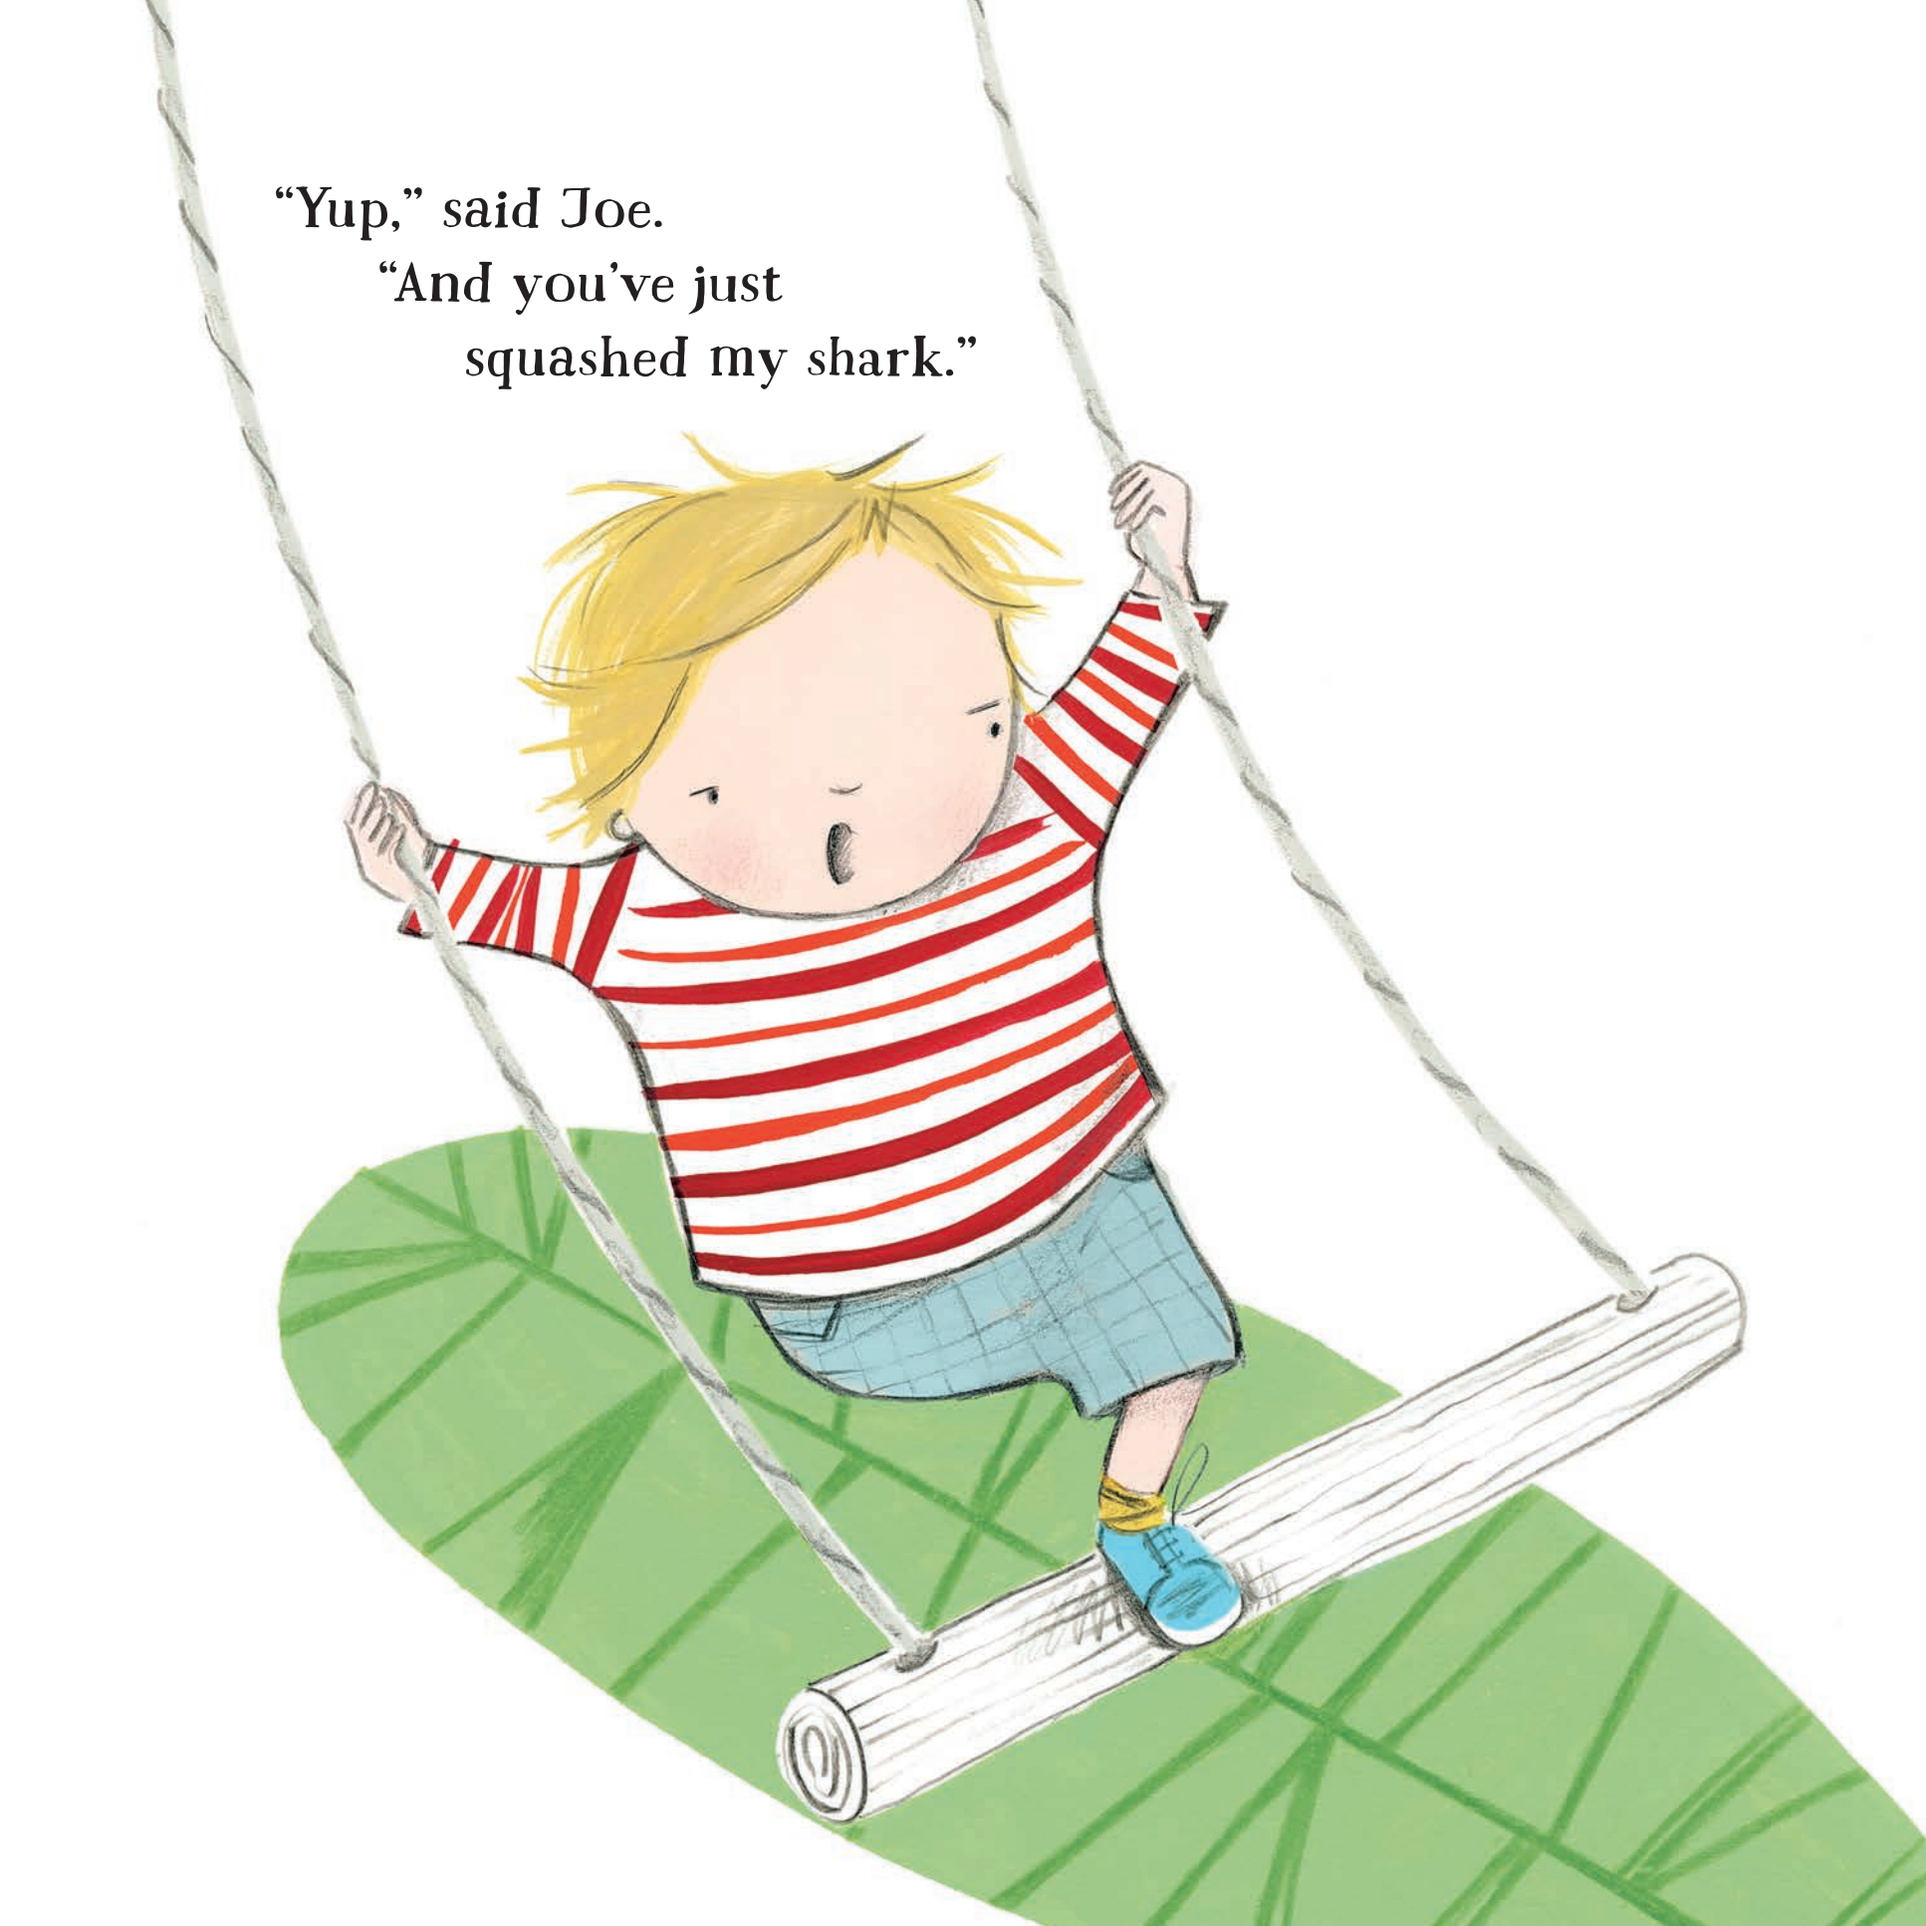

"YOU'VE ONLY GOT ONE LEG!"

said a kid.

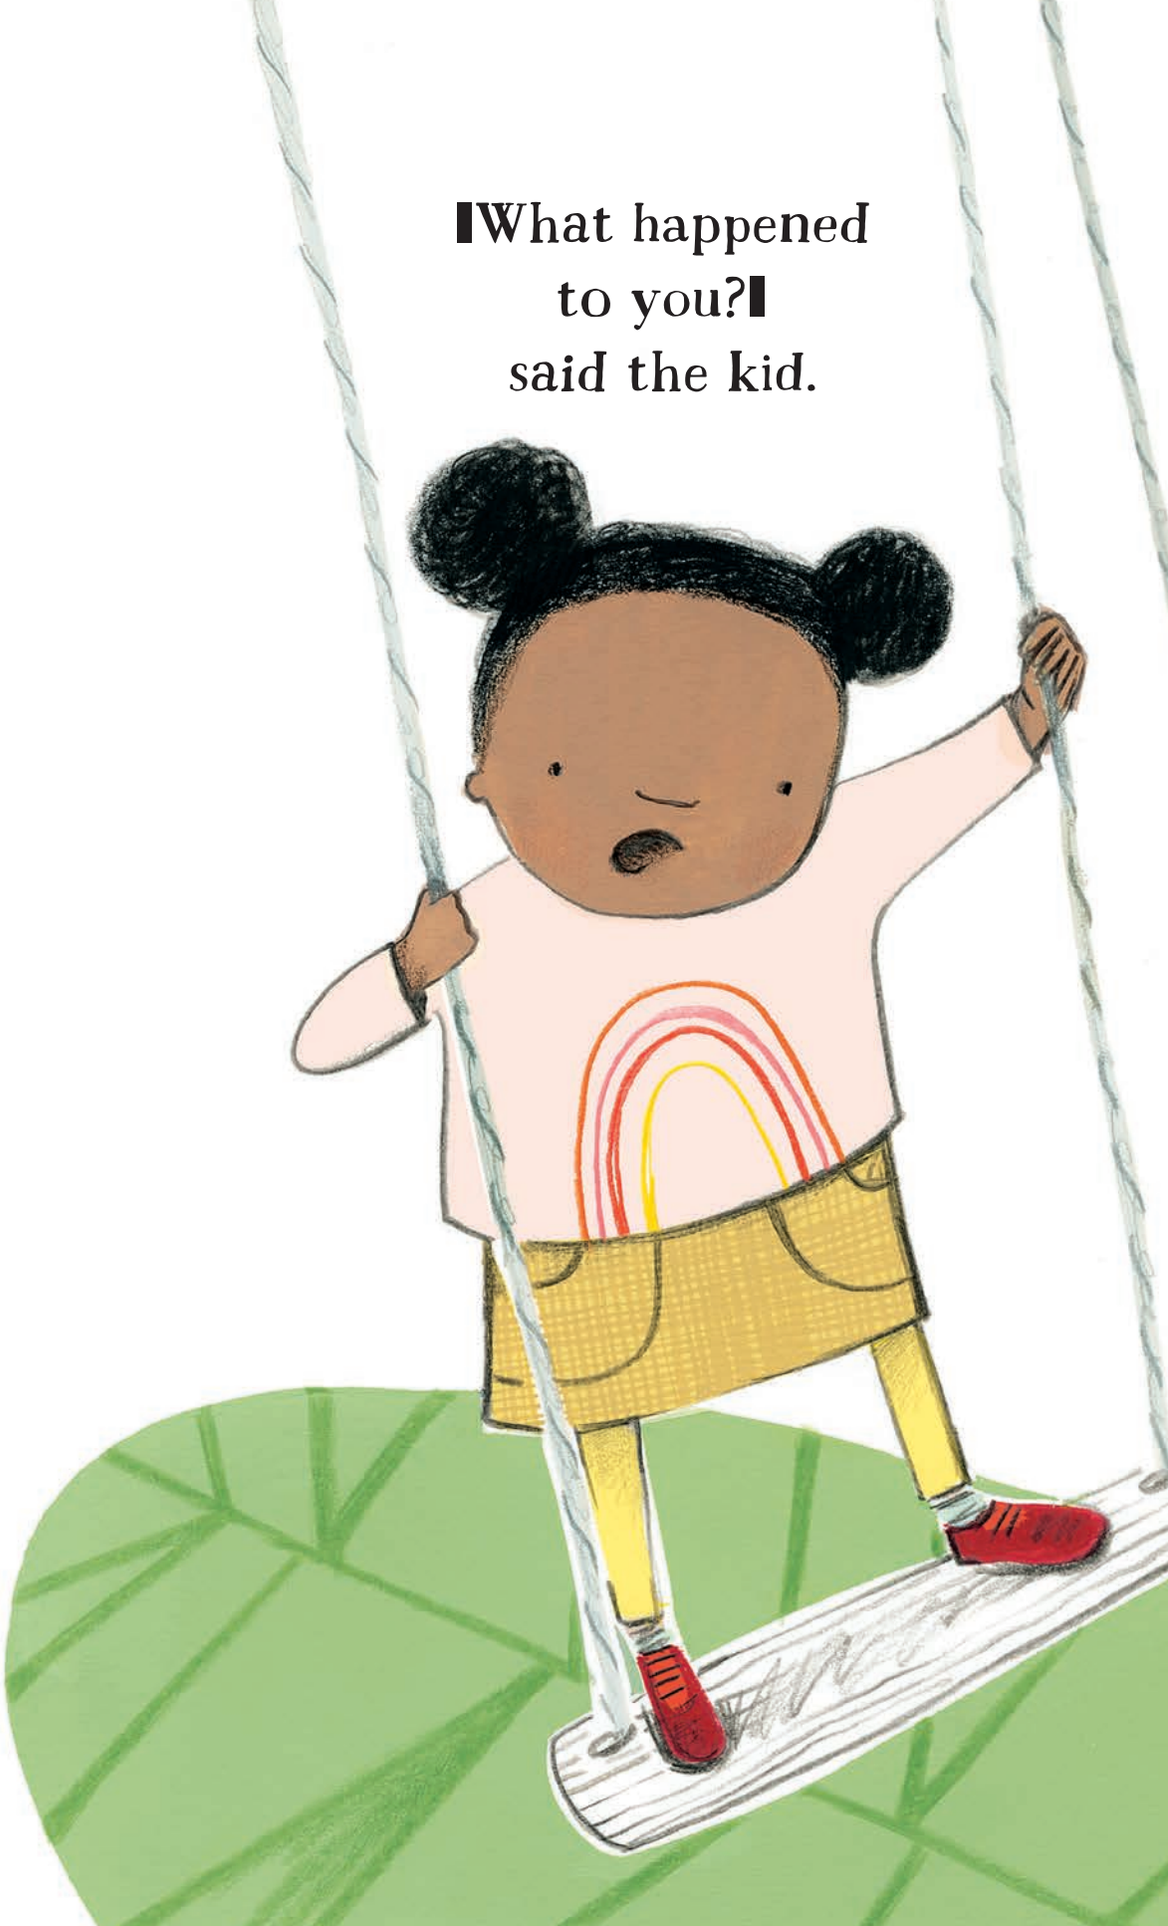

"Yup," said Joe.
"And you've just
squashed my shark."

"What happened
to you?"
said the kid.

But Joe didn't feel like
telling *that* story,
so he just said,
"What do *you* think?"

"Ummm . . ."

The kid didn't know
how to answer that.
