I love my bike.

There's a flame on the frame
and a bell on the bars
and it's red so it's fast.

I love my bike.

Dad says, "Push your feet down on the pedals,
cos the pedals turn the chain
and the chain turns the wheels round,
again and again."

So I do push down...

Well, I try.

I love my bike
but I can't quite ride it.

Dad says, "One more time, keep going."

So I push down again.
The hardest ever.

Dad says, "Yes, that's it."
"Is not," I say.
"Is not."

But I push down again
and again and again.

My feet push the pedals
and the pedals turn the chain
and the chain turns the wheels and...

I'm riding my bike!
