When we found out that our class was going on a school trip to a LAKE, we were SHOCKED. Because last time we went on a school trip, Miss Jones said, "NEVER AGAIN!" when we got back. And then she'd run off the bus and hugged her partner for

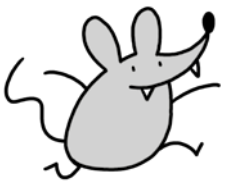

ages.

That's when Jodi (my best friend) said that it was SUSPICIOUS that we were ALL OF A SUDDEN allowed to go on a school trip again and that she had a WEIRD FEELING about the LAKE and that lakes were a bit

Zach said that we were just OVERREACTING because that's what he ALWAYS says at first when STUFF happens to us. But then we find out that our

teachers are VAMPIRE RATS or that there are PHANTOM LOLLIPOP MEN floating around the school or that the SHEPHERD'S PIE is POISON and he changes his mind.

Maisie keeps saying that we should all apply to go to a NEW SCHOOL where the dinner ladies aren't DEMONS. But, like Jodi says, who would save our school if WE weren't around?

But when we got to the LAKE, Jodi didn't look so sure about saving anyone THIS time. And that was probably because of the WEIRD SIGN and the BANSHEES and the big muddy FOOTPRINTS.

But it was when we found Gary Petrie's ROBE down by the water that we KNEW.

There was a

MONSTER IN THE LAKE

and it was coming to get us!

"WE'RE ON OUR OWN!"

When we got off the bus we were all SHOCKED. And it was obvious that the teachers were shocked too because their mouths were all hanging WIDE OPEN.
