
Ah-ha! Here he is . . .
"Please, PLEASE help us, Mr Wolf!
All our stories are burning down!"
says Grandma.
"And no one can huff and puff like YOU!"
says the Second Little Pig.

No one can huff and puff like a
Big, Bad WOLF!

The Three Little Pigs are seriously grumpy.
"All your huffing and puffing should have been over and done by now!"
says the First Little Pig.
"Where have you BEEN?"
says the Second Little Pig.
"We can't sit around here all day waiting for you!"
says the Third Little Pig.
But Wolf can't stop . . .

Wolf has saved the day!
"We're SUPER sorry we were cross with you," says the First Little Pig.
"We totally can't manage without you!"
"And we promise to help you from now on," says the Second Little Pig.
