What Will I Be?

Frances Stickley Lucy Fleming

Andersen Press

When you start imagining, there's nothing you can't be.
Will you be a pirate on a quest across the sea,
an engineer with plans and tools inventing flying cars
or blast off like an astronaut and soar among the stars?

Your dreams can be enormous, even though you might be small.
You just need to believe you can be anything at all.

Daddy's shoes are
perfect for a silly
circus clown.
You tiptoe on
the tightrope

and you
cartwheel
upside down.

You take to the
trapeze with ease,
but... Oooooh!
You nearly fall!

Hear the roar!
The crowd wants more!
The greatest show of all!

Then with a whizz, you're Superkids!
The bravest of the bunch!

Here to save the day before
you've even had your lunch!
Leaping through the
living room and
storming up
the stairs,

or battling the baddies with
your trusty team of bears.
