It's All Relative... Pronouns

Relative pronouns may sound tricky, but they are quite the opposite. We are going to focus on three of them: who, which and that.

Relative pronouns refer back to a noun which has been mentioned earlier in a sentence. See the examples below. The relative pronouns refer back to the underlined words.

John lives in <u>Newcastle</u>, **which** is south of Scotland.

The player of the match was <u>Olivia</u>, **who** scored three goals.

I liked the round, green <u>chair</u> **that** was very comfortable.

Complete each sentence using the relative pronouns **who**, **which** or **that** to add more detail. One has been done for you.

I love Christmas Day which I always celebrate with my family .

My friend lives in London _____ .

Pass me the red ball _____ .

Fruit hung from the trees _____ .

The ninja hid from her enemy _____ .

The tomatoes were picked from the plant _____ .

Varying 'Very'

Rather than using a mild word and making it stronger with 'very', you can just use a strong word. For example, rather than saying 'very happy', you can say 'joyful'. This is more precise and powerful writing.

Match the strong words from the Word Bank to the 'very' phrase with the same meaning. One has been done for you.
