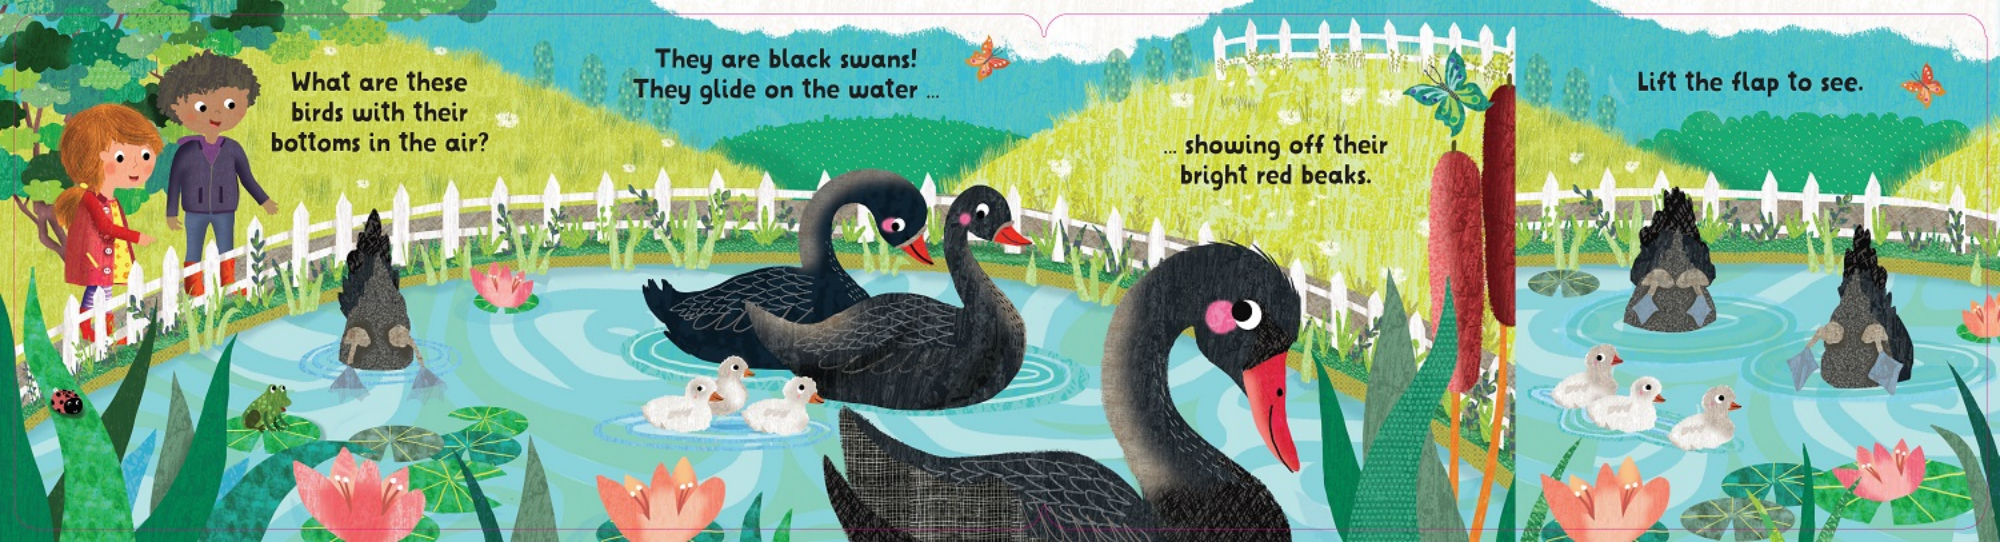
Look! A bird with a long tail.
It's a peacock and he has made his tail into a fan.
He's looking for a friend.
I wonder what it is.

What brightly coloured feathers this bird has.
It's a golden pheasant.
He says 'chack chack', can you say it back?
Lift the flap to say hello.

Who is this waddling bundle of colour?
Mandarin ducks are excellent fliers ...
... and like to play tag.
It's a mandarin duck.



What are these birds with their bottoms in the air?
They are black swans! They glide on the water ...
... showing off their bright red beaks.
Lift the flap to see.

Look at the little robin sitting in the garden.

Robins like to build cup-shaped nests in strange places.

Can you spot the robin's nest?

She has an orangey red coloured breast.

Who is flashing their pink and blue feathers?
It's a group of jays looking for acorns.
They hide them to eat in winter.
Lift the flap to see.
