

Yes or no?

Do only darker-skinned people experience racism?

Does it matter where we come from?

Will my life be worse because I have darker skin?

Does racism happen everywhere?

Now class, draw a picture of a pilot.

Is it racist to ask someone about their clothes?

Is it racist to call someone black?

Can you be racist without realizing it?

Is it *my* fault that they're bullying me?

What can I do?

What can I do?

Why is listening important?

Why is learning important?

Who can I talk to?

What happens if you ignore racism?

I'll pretend I didn't see.

What's racism got to do with me?

How can I stop racism?

RACISM

BE KIND
