And so, we'll spend one perfect day
just looking after Mummy!
We'll fetch her favourite foods to make
her breakfast really yummy.

We'll paint a special picture,
one from you and one from me.
And then we'll wake her up
with a refreshing pot of tea.

Mummy's going to need our help
to get this fancy dress on.
We need to test the chocolates to
make sure she gets the best one.

She loves these yellow flowers.
Oh, the bumble bees do too!
And she's really big on bubbles, so
we'll... Hang on! That's shampoo!

We'll take her to our café.
It's a very fancy place
so we'll use these paints
and crayons to
draw rainbows
on her face.

Mummy's going to love it.
She'll be overjoyed! You'll see...
