EVERY DAY EXPLORER

Get outdoors and explore!

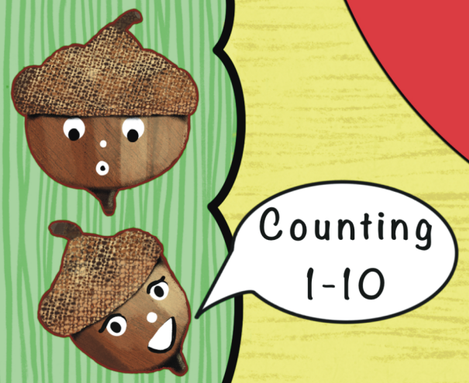

Count to 10 with Eliza and friends as she spies with her magnifying glass all around her rock garden. Discover how charming nature can be when you look and listen very closely!

For:

My mother, who first believed in me.

Laurent, partner and husband. Without your amazing encouragement, becoming an author/illustrator would still just be a dream.

Ian, my dearest son. After the thousands of bedtime stories I read, I finally made one for you!

Jennifer, SCBWI critique partner extraordinaire. Your eye for details have been invaluable throughout this project. Cheers to many more!
