

This is our gang.
This is our spot.
And we like it a lot.
So hands off!

THUNDERBOLT

PIP

This is our gang.

HERO

That's me. The bravest of all.
I once stayed all night
in a haunted house.

I have no fear.
I dare you to dare me.

BRICK

Hard as stone.
Strong as a mountain.
Built like a brick wall.

He doesn't know his own strength. Nobody does.

THUNDERBOLT

Quick as a cheetah.
Lightning can't strike her.
Even her watch is fast.

If you challenge her to a race,
she has already won.

PIP

We let him tag along
because he's somebody's kid brother.
No one remembers whose.
He is small.
He has no skills.

He's a pipsqueak.

And then I heard a voice.
It was Pip.

“You’re bigger than me.
You’re stronger. You’re smarter.
But I’m not scared of you.
Because there’s one thing
I have that you don’t.”

“Oh yeah?! And what’s
that, Pipsqueak?”
