Pssst! What kind of poo would an astronaut do?

Shiny, silver, space-age poo! Rocket-powered, weightless poo, and it spins round and round like a planet does too!

What kind of poo
would that little dog do?

Tiny, pink, pom-pom poo!
The same kind of poo
that the lady would do!

There's every poo you could ever do!

I can't match them up. Can you?
