The **Zooperheroes** were sitting down for a **super-scrummy breakfast.**

When suddenly . . .

X-Ray followed

the trail of bananas all the way

out of town . . .

Just in time, the Zoopercopter arrived!

MEGA-ZAP!

KER-RUNCH!

H-YA!

ZOOOOOOOOOM!

But it was no good, Kaboom was going to get away.

Zoopertown could finally enjoy
Go-Go's celebrations and **PAR-TY!**

Thank you
for rescuing Zoopertown.
Now let's tuck into my extra-
scrummy, giant, banana
birthday cake!

The Zooperheroes
– with some X-ray power –
had **saved the day!**
