Printed and bound in China by Toppan Leefung

Right from the start,
the boy loved the sea!
He ran along the sand,
danced in and out of the waves,
his heart full of longing and delight.

The books he loved best at bedtime
told tales of SEA ADVENTURES.

‘I will build me a boat
to sail the seven seas

and have adventures
of my own.’

Away he sailed in his beautiful boat.
He left land far behind.

Evening fell and the boy lost his way
but he didn't give up.

'I will set the compass to
show me where to go.'

The first star came out
and a full moon
shone a silver path
to guide him on.
