It was noon in the jungle
and time for lunch.
Leonard went searching
for something to munch.

He hadn't gone far
when who did he meet?

It was Bear, and he had something to eat!

"What are you eating? Does it taste good?
My tummy is rumbling, and I really need food."

"A nice piece of fish, straight from the sea,
it's fresh and delicious and has omega 3."
"Omega 3, what does that do?"
"It's good for your brain, and there's plenty for two?"
