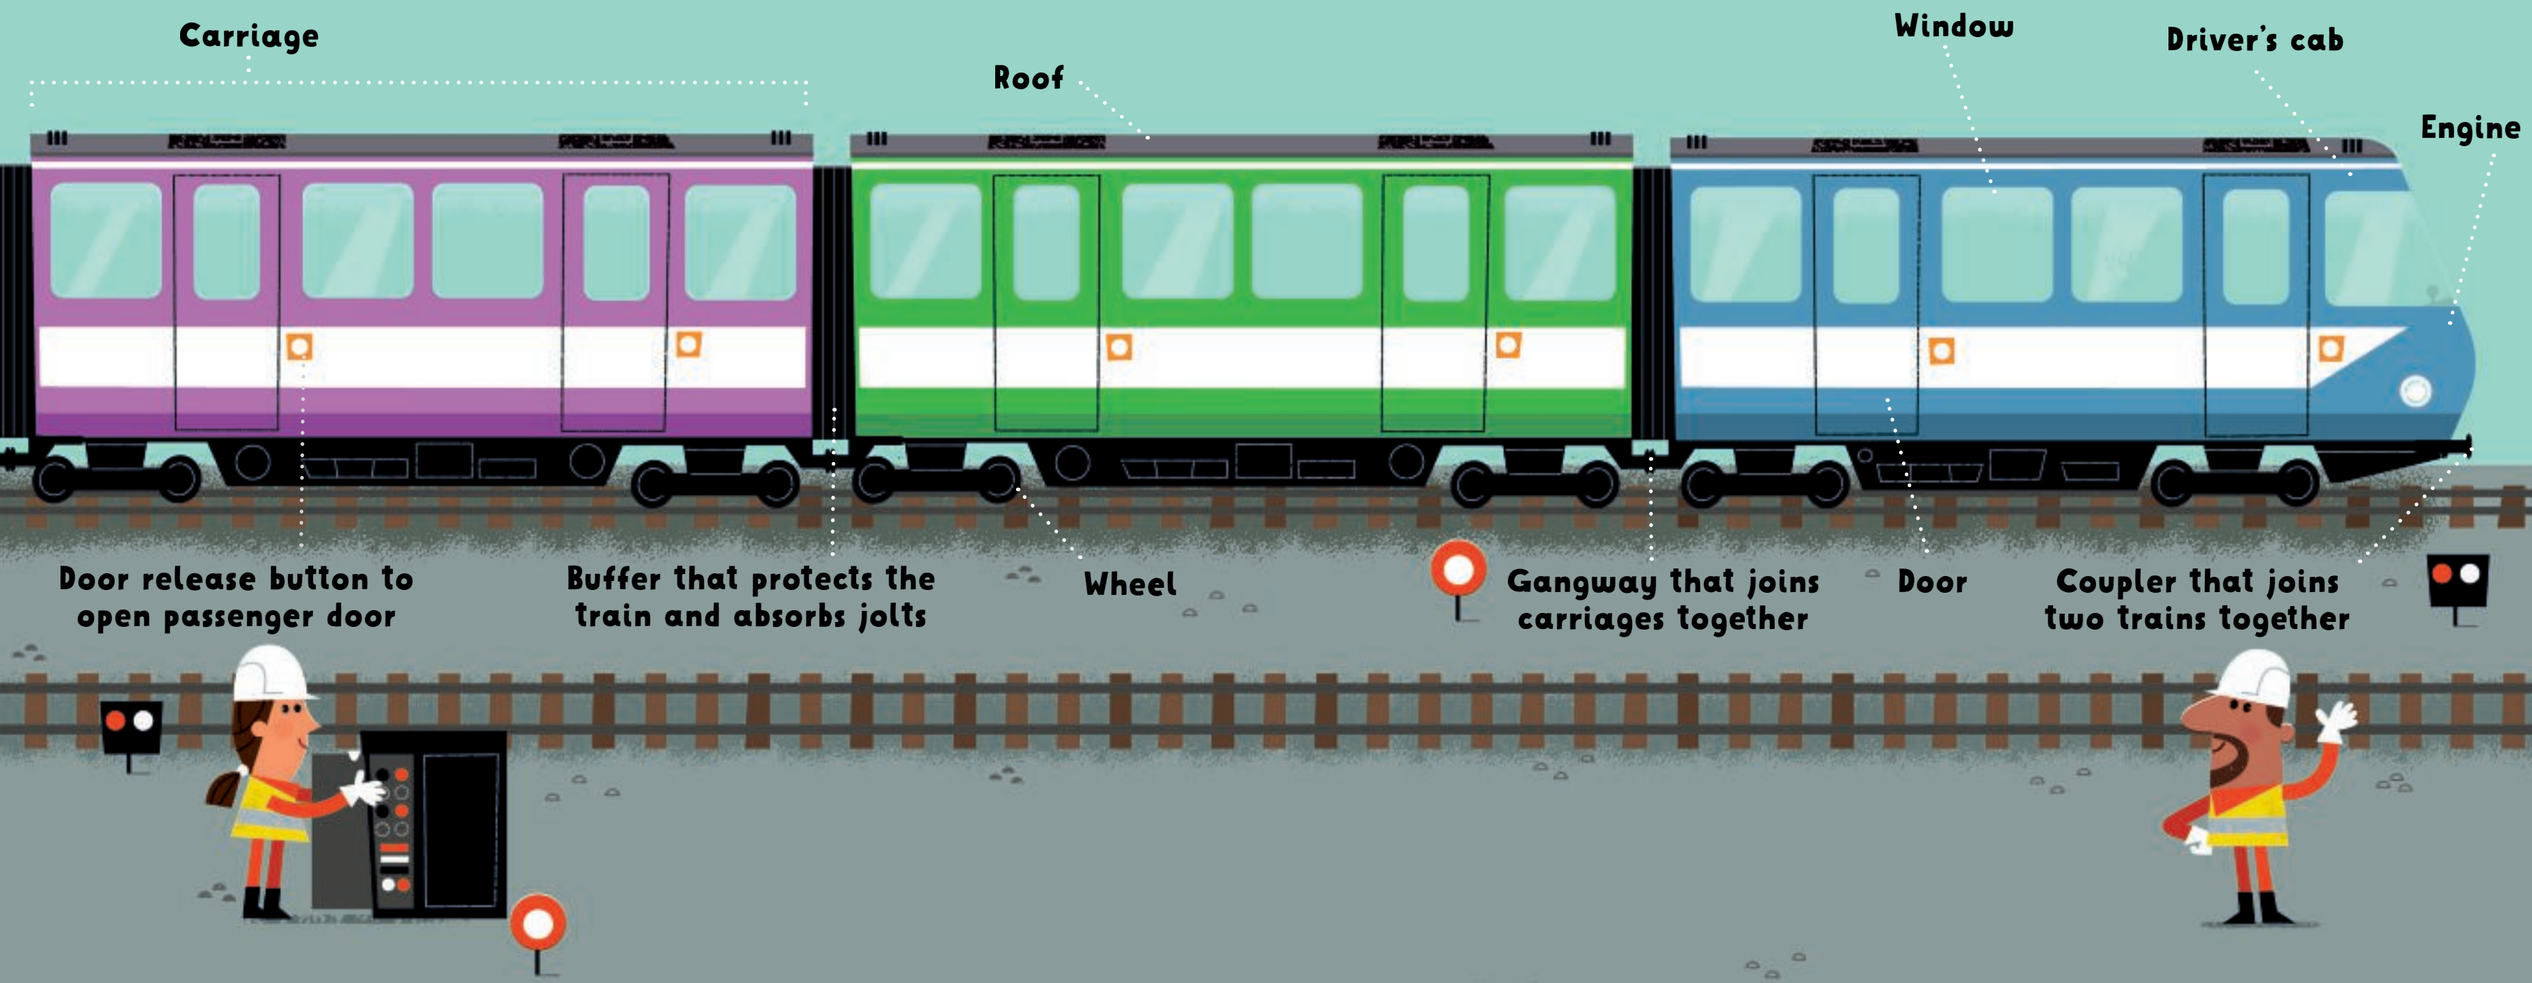
Today your job is to drive the train from the railway depot to its final destination.

This family are going sightseeing in the city.

First you need to put on your uniform.
What do you need to wear to be a train driver?

This is your train!
Can you name all the parts?

Let's count how many carriages there are!
1, 2, 3. Well done! What colour are they?



It's time to climb into your cab.
Put on your seatbelt and check your controls.

When you're ready, twist the green button to start the engine. Then push the black throttle lever to move the train forwards.
