As Sid tried to work out what happened
(he hadn't the faintest of clues),
his sneezing fit eased so the things that he'd sneezed
made use of the gap in **achooos**.

Now everyone gathered together
and told Sid,

"Enough is enough!

Don't add to our woes!
Can't you **cover** your nose?!

You've **GOT** to stop sneezing this stuff!"

. . . an acrobat
on a trapeze!

As Sid tried to work out what happened
(he hadn't the faintest of clues),
his sneezing fit eased so the things that he'd sneezed
made use of the gap in **achooos**.

Now everyone gathered together
and told Sid,

"Enough is enough!

Don't add to our woes!
Can't you **cover** your nose?!

You've **GOT** to stop sneezing this stuff!"

. . . a panda
with all of her cubs!
Bewilderment turned into chaos,
yet during the hullaballoo,
Sid's impulse to sneeze
seemed to finally ease . . .
But then came another . . .
ACHOO!
And that was the start
of a frenzy
of sneeze after sneeze
after sneeze,
as rapidly out of his nostrils
there surged . . .
