For Will and Daisy,
the brightest stars in my sky

MEET AT THE HORIZON

hey, let's get lost together
explore the cost together
shake shadows off together
c'mon, c'mon let's go

hey, let's chase stars together
be proud of scars together
build who we are together
c'mon, c'mon let's go

hey, let's waste time together
ignite our minds together
horizon lines forever
c'mon, c'mon let's go

SURROUNDED BY SKY

here we all are
without any manual
the river is running
brothers and sisters

surrounded by sky
or reason for why
we live we die
surrounded by sky

ALL THE COLOURS OF THE RIVER

when moonlight sings its freedom
when darkness holds no fear
when shadows flow together
when ragged stars appear
when wind-imprinted water holds her mirror to the skies
she carries all the colours of the river in her eyes

when ghosts of frost must take their leave
when sadness slows its spin
when silver empires crumble
when time begins to swim
when all the world lies half awake and mist is her disguise
she carries all the colours of the river in her eyes

FOR DAISY

we lie on garden chairs
that go all the way back
to the beginning of time

our moon-cool eyes
wait
until the the last blue
is black

we pretend we're ancient sailors
preparing for a voyage to distant
lands
in our tiny boat

holding hands
we slide silent down the
star-burnt slipway

and out

across the universe
