This is a story about being kind.

Mr Happy is kind.

Can you tell?

Sometimes it's the small things like holding the door open when Little Miss Busy had her hands full.

Or the bigger things like taking Mr Bump to the hospital when he hurt himself.

Are you kind like Mr Happy?

I'm sure you are sometimes, but what about the times you do what you want, without thinking of others?

It can be difficult to be kind.

Mr Mean lives up to his name.

Does he like being kind?

No, he does not!

One day, Mr Mean was in a particularly mean mood.

He stomped on the flowers Little Miss Sunshine was growing by the path.

“Who put them there?” he raged. “They don’t do anything and they can’t even look after themselves!”
