Winnie's New Computer

OXFORD
UNIVERSITY PRESS

Winnie the Witch had a new computer. She was very excited. Her cat, Wilbur, was excited too. He thought something interesting might happen and he didn't want to miss it.

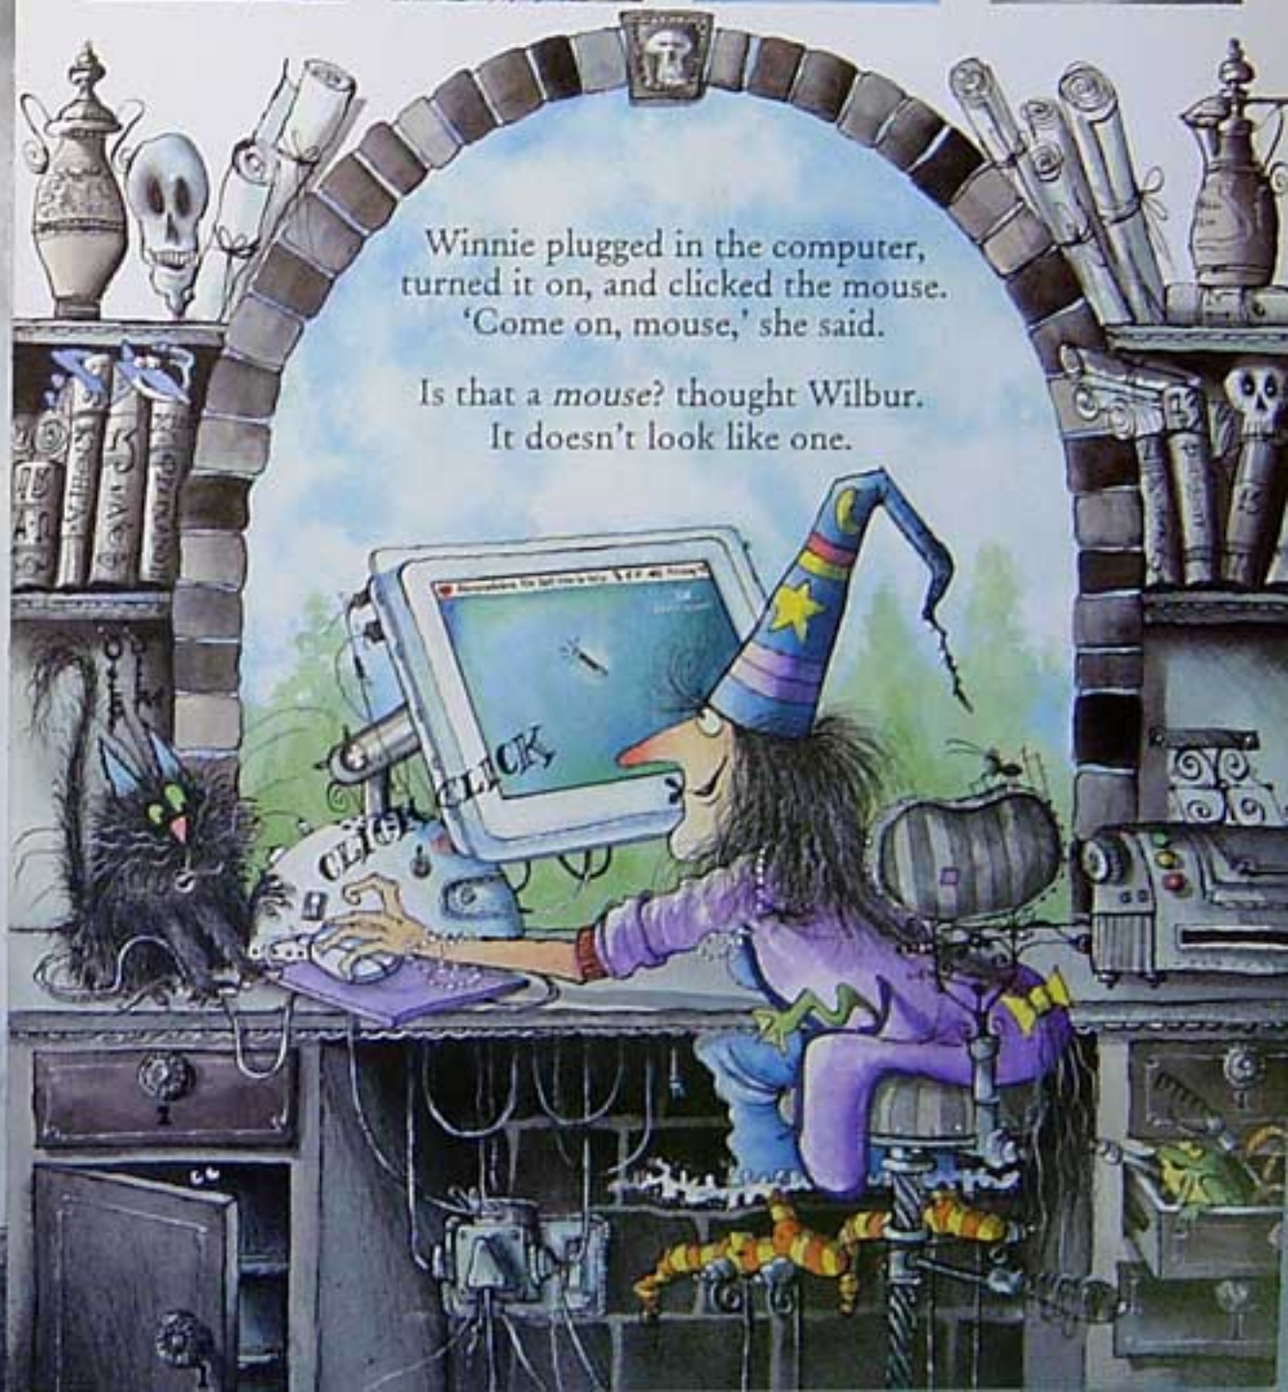

Winnie plugged in the computer, turned it on, and clicked the mouse. 'Come on, mouse,' she said.

Is that a *mouse*? thought Wilbur. It doesn't look like one.

Winnie went on to the internet.
Wilbur wanted a closer look at the mouse.
He patted it.

'Don't touch the mouse, Wilbur!' said Winnie.
'I want to order a new wand!'

Wilbur patted the mouse again. Pat, pat.

Winnie was cross.
She put Wilbur outside.
She didn't notice
that it was raining . . .
