Proper introductions

Hello, I'm Ms. Adjective the Adventurer. It's great to finally meet you. I will be your guide in the weird and wonderful World of Creative Writing. I'm excited to show you all the strange and stupendous places we're about to explore but please be warned: there are unexpected pitfalls ahead!

I was about your age when I first came here but little did I realise then, that you need to use your creativity to progress through this world. So come with me and let's use words and language to shape our imaginations and complete tricky tasks so you can get home safely.

Getting to know each other ...

We need to choose a companion to accompany us on our trip but first, let's get to know each other a little better.

Please answer the following questions. You don't need to write these down, just say them out loud. I'll be able to hear you.

1. What's your favourite colour?
2. Where do you live?
3. What's your favourite food?

Here are my answers:

1. Red – it's the colour of apples, my favourite fruit, and my parrot Squawk.
2. I live here in Adventure Headquarters in The World of Creative Writing.
3. Pizza – I love how crunchy, chewy and salty it is. Yum!

Keep an eye out for:

FAB FIVER!

'Fab Fivers'
five useful words or phrases.

'ADVENTURE CLUES'
these are tips and trivia that you pick up along the way.

Choosing our companion

Are you looking forward to our big journey? Not long now. In my experience, it's better to have at least three adventurers travel together. So we can bring more supplies with us and have more fun sharing the experience with others. But who shall we bring?

All four of my pets want to come. There's Scaredy the tortoise, Squawk the parrot, Fluffy the dog and Meow the cat.

FAB FIVER!

These are examples of **onomatopoeia**, or words that also create the sounds they describe.

- Meow
- Squawk
- Buzz
- Whoosh
- Slap

ADVENTURE CLUE:

'Supplies' are things needed for living or surviving, like water and food.

The decision

- Squawk hurt his wing crashing into the sofa and needs to rest up at Adventure HQ.
- Meow is an indoor cat, so she won't be happy going outside.
- Scaredy is actually very brave but might struggle to keep up with our pace.
- Fluffy is a little naughty but fit and fast ... so he's coming with us!

Who from your life would you have chosen to join us? Is it a friend, pet or family member? Write down your choice, mentioning two things about them that would make them great members of our team.
