Little Bunny Clump

Written by James Tillyer
Illustrations by Philip Hailstone

James lives with his family in the rolling hills of rural Somerset, South West England.
He began writing children's stories in 2020, with this the first in a series of tales with the family Clump. Look out for the next one, where you'll meet one of Bumsy's sisters, Flobb. She's a little bit grumpy...

My first book is dedicated to Nina, Finlay and Sienna. Without your wit, wisdom and wonderment this would not have been possible!

On the edge of a forest, not far from the town,

Stood an old wooden shack that was very run-down.

A small wonky sign read 'WELKUM ON IN!'

And the lawn was all littered with stuff from a bin.

Behind the front door lived a cheery old bunch
Of horrible monsters who were eating their lunch.
Today was a Sunday, a day for the special -
Sprout soup with earwax plus a serving of nettle.
