Say hello to the Little Princess!

The King and Queen's royal mischief lives in an enormous castle topped off with turrets and towers. Inside there are lots of friends waiting to play the day away – from the Maid to the Prime Minister. But the Little Princess's best adventures are with Gilbert, her teddy, and her pets, Scruff and Puss. What will she get up to next?

The Maid was
having terrible
trouble persuading
the Little Princess
to try on her new shoes.
"I don't like new shoes,"
the Little Princess shouted
crossly through the door.
"Don't be like that," soothed the Maid.
"I know you'll like them."
"No I won't!"

To the Little Princess's surprise, the
Maid popped her head through the
bedroom window and smiled.
"They're really lovely."
