

Santa's in a panic! Santa's in a tizz!
He's lost his list of jobs to do.
"I don't know where it is!"

Santa has a brainwave.
"Don't worry! Have no fear!
I'm SURE I can remember them;
I do this every year!"

Oil the sleigh
and scrub it clean.
Dust and polish,
make it gleam!
Wrap
the presents,
fill the sacks ...
Don't forget my
midnight snacks!
