Once upon a time,
in a dreamy place
called the Emerald Kingdom,
there lived fantastical
creatures of every kind.
The fiery dragons lived in
Cloud City ...

... and the magical unicorns lived in **Sparkle Land**.

But they had never met. The Marbled Mountain
rose to the sky between
their homes.

Dan the dragon
thought he had
everything
he needed
to be happy.

He breathed fire . . .

he was
caring . . .

. . . and he was
oh so smart.

What more could Dan need in his fantastic, flying life?
