For Alexander,
whose ants have ants
in their pants.

It was Monday morning and Daddy was late for work.

Mummy looked at Daddy who was running around, looking for his keys.

"Alexander, do you think Daddy has ants in his pants?" chuckled Mummy.

Daddy was always running somewhere.

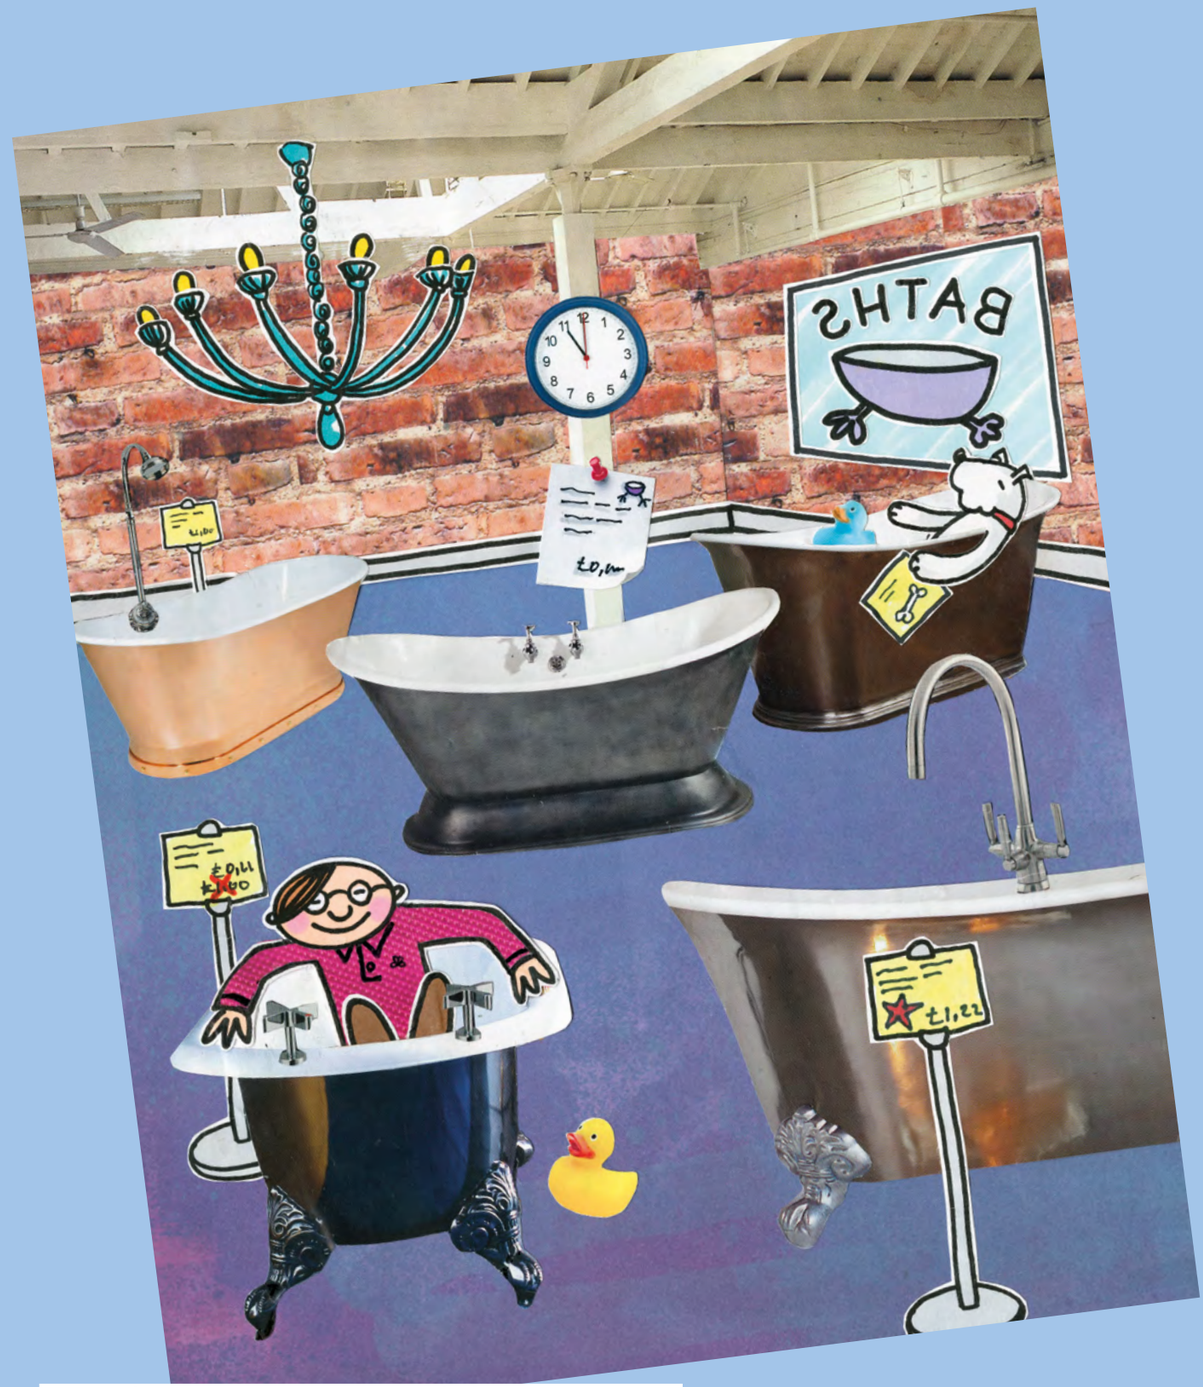

or to catch a taxi, a train or a plane.

Rushing to work, to a meeting

Except on Saturdays,

when Daddy loved going to the bathroom
shop to try out new baths.

Bathing was Daddy's most
favourite thing to do.

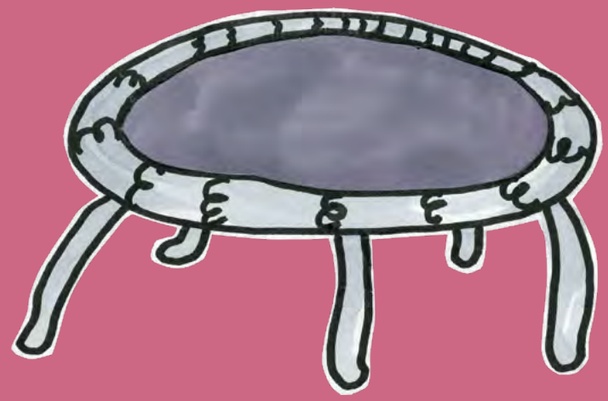

The next day, Mummy was trying to brush Alexander's teeth.

"Alexander?" she asked,

"Do you have ants in your pants?"

"Ants,"
thought Alexander,
"in my pants?"
He looked inside
his trousers.

Then he shook his underpants and looked again, but he couldn't see a single ant.

Not a

single ant
